

Dog control sign request

If you would like to have dog control signs placed on a road or path you must contact your District Council. The signs would only be allowed if they had made specific bylaws preventing the fouling on land.

If you represent a District or Borough Council and would like to erect dog control signs on the highway please complete an application form after reading the conditions.

Dog waste bins

District or Borough Councils may apply for a licence to install dog waste bins on the highway. The public highway consists of roads, paths and verges.

Licences would only be granted if the District Council has made specific bylaws preventing the fouling of land. In other instances the applications would be refused.

If you wish for a dog waste bin to be placed on the verge you should contact your local District or Borough Council, Environmental Health Department who if in agreement will apply on your behalf.

If you are a representative of a District or Borough Council you should first read the conditions then complete the application form.

Steps for the District or Borough Council to complete to receive approval

1. Read the scheme conditions
2. Print the application form
3. Complete and sign the application
4. Email, with required attachments, to BSHighwaysCH@norfolk.gov.uk or send to Business Support, 2nd Floor, County Hall, Martineau Lane, NORWICH, NR1 2DH.

Steps to be completed by Norfolk County Council

- Consider the proposed site in relation to visibility obstruction and distance from the edge
- of the road, minimum 450mm
- Send consent to you
- If it is not approved you will be contacted to discuss the application

Conditions - the District or Borough Council must

- Indemnify the County Council against any claims caused by the dog control signs or waste bins being in the highway
- Keep the dog control signs or waste bins in a good state of repair
- Remove the dog control signs or waste bins at the District Council's expense if at any time the County Council needs that to be done. The area where the furniture

stood must be “made good”, normally this would mean to restore the ground or path to its original state

- Pay the expense of any damage to the highway or apparatus within it that may be caused by the removal of the furniture
- Not break up the surface of the highway
- Not interfere with the apparatus of undertakers such as pipes or cables
- Not interfere with land and premises outside the control of the County Council

The above are defined in the New Roads and Street Works Act 1991

The County Council is not granting planning permission for any purpose
