

Development Workers

What do we do?

We can talk to you to find out about your interests and tell you about what may be available in your area.

We can help you to make contact with different organisations and work with you to help you take the first step.

The help we give can include information about:

- Volunteering
- Adult education
- Sports and leisure activities
- Social opportunities
- Local community information
- National organisations and support groups

Who can use this service?

The Adult Social Services Development Team work with people over 18 who need a bit of extra help with information about opportunities in their local area.

If you already have a package of support please talk to your social worker about this service.

What is the cost?

The Adult Social Services Development Worker service is free although the services they suggest may not be.

Group Development Work

We can work with you to help develop small local support networks.

We can help you to develop a group around a sport or craft or other shared interest.
