The Local Offer Team along with Health colleagues and Parent Carers are currently reviewing the "[Health services for children and young people with SEND](#)" section of the Norfolk SEND Local Offer website.

We want this section, which is already well used, to be even more useful to parent carers by making it easier to find the service you are looking for.

You could help us achieve this by:

- completing the short on-line survey, which can be found at smartsurvey.co.uk/s/sendhealth
- or attending one of the Health workshops we are running on

Friday 3rd May,

Workshops times 10:00-11:30

or repeated at 12:00-1:30

being held at

The Willow Centre,
Willowcroft Way,
Cringleford,
Norwich
NR4 7JJ

At the workshops you will be able to see how the different methods of searching will work and have the opportunity to feed in comments to help us develop this further.

If you would like to attend either of the workshops please email the Local Offer team at send@norfolk.gov.uk with your name and which workshop you would like to attend.
