

**Norfolk County Council**

**Primary and Infant Schools in Norfolk  
2022/23**

This booklet gives information on our primary and infant schools in Norfolk. Schools are listed in alphabetical order. For each school you will find the address, contact details and the name of the headteacher. You will also see information on:

- Number on roll in May 2021: this is a guide to the size of the school which is unlikely to change much by September 2022
- Published Admission Number: this gives the number of children the admissions authority has agreed to admit in the admission round for September 2022
- Whether the school was oversubscribed in September 2021.

Please refer to “Parent guide to admission to schools in Norfolk 2022” booklet for full information about the admissions process. The booklet can be found on the Norfolk County Council website at [www.norfolk.gov.uk/admissions](http://www.norfolk.gov.uk/admissions).

The following page details Norfolk County Council’s over-subscription criteria used to determine which children are offered or refused a place if there are more applications than places available (the school is over-subscribed). These rules apply to Community and Voluntary Controlled schools. Academies, Free Schools, Voluntary Aided and Foundation schools may adopt these rules but you should check on the admission policy for each school which is available on the individual school websites, by contacting the school direct or also available at [www.norfolk.gov.uk/schoolfinder](http://www.norfolk.gov.uk/schoolfinder) Parents can contact the Admissions Team on 0344 800 8020 or by email to [admissions@norfolk.gov.uk](mailto:admissions@norfolk.gov.uk) to obtain this information for individual schools.

## Norfolk County Council’s Admissions Policy

If there are more applications for places than there are places available, the Local Authority will give priority to children living nearest to the school, according to the following rules in this order of priority:

Children who are due to start school and:

1. have an EHCP or statement of special educational needs naming that school
2. children in public care, have been adopted from public care or adopted from abroad who are due to transfer
3. live in the catchment area and who have a sibling attending the school at the time of their admission
4. live in the catchment area who have a brother or sister attending the feeder junior school
5. have a disability and live in the catchment area (Appropriate professional evidence will be required to confirm the disability)
6. live in the catchment area
7. have been allocated a permanent place at a Specialist Resource Base attached to the school. (Places allocated by Norfolk County Council’s Placement panel)

8. children eligible for the service premium. A pupil is eligible for the service premium if:
  - a. one of their parents is serving in the regular armed forces (including pupils with a parent who is on full commitment as part of the full time reserve service);
  - b. they have been registered as a 'service child' on the January school census at any point since 2016;
  - c. one of their parents died whilst serving in the armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme.
  
9. live outside the catchment area who have a brother or sister with a statement of special educational needs attending the school at the time of their admission
  
10. live outside the area served by the school who have a brother or sister attending the school at the time of their admission
  
11. live outside the catchment area who have a brother or sister attending the feeder junior school
  
12. have a disability and live outside the catchment area (Appropriate professional evidence will be required to confirm the disability)
  
13. children of staff:
  - a. where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
  - b. the member of staff is recruited to fill a vacant post for there is a demonstrable skill shortage
  
14. live outside the catchment area

If all children within any of the above rules cannot be offered a place, the highest priority will be given to children living nearest to the school within that rule. To determine who lives nearest, distance will be measured on a straight line "crow fly" basis, using Ordnance Survey data. The address will be measured from the post office address point on the property.

In the unlikely event that distance does not separate the final two or more pupils seeking the last remaining place, a random allocation will be used to determine who is offered the final place.

NOTE: Criteria 7 only applies to schools which have a Specialist Resource Base on site.

Feeder school priority will only apply in the first year of entry to the school.

# Guide to Admission Terms

## Education Health and Care Plans (EHCP)/Statements of Special Educational Needs

Where a child's EHCP/Statement of Special Educational Needs names a specific school the school must admit the child regardless of whether the school has a place available. The over subscription rules for most schools include children with EHCPs/statements as the first priority to help parents understand that children with statements have the highest priority legally. For these schools the remaining list of rules are used to prioritise applications if the school is over subscribed.

## Children in Public Care and Looked After Children

In oversubscription rules "children in public care" and "looked after children" are defined as looked after children and previously looked after children. Previously looked after children are children who were looked after and ceased to be so because they were adopted or became subject to a Residence Order or Special Guardianship Order and include those children who appear, to the Admissions Authority, to have been in state care outside of England and ceased to in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care or, or were accommodated by a public authority, a religious organisation, or any other provider of care.

## Distance

Distance will be measured on a straight line 'crow flies' basis using Ordnance Survey data. The measurement will be taken from the Post Office postcode address point on the child's home to the Post Office postcode address point on the school.

## Siblings

In the oversubscription rules 'brother' or 'sister' means: brothers or sisters living at the same address including adopted children, step-brothers, step-sisters and children in foster care within a family unit. Some admission authority schools may have a different definition. See the individual school admission policy for details.

Only siblings attending school at the time of your child's proposed admission will be given a higher priority in the oversubscription rules.

## Children of Staff at the School

Admission authorities may give priority in their oversubscription criteria to children of staff at the school in either or both of the following circumstances:

- a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage

## Feeder school

Feeder school priority will only apply in the first year of entry to the school and does not apply in year admissions.

## Disability

Disability is defined by reference to the definition used in the Equalities Act 2010.

## Random Allocation

Where random allocation is used to determine the allocation of school, applicants will have their names drawn by lots to see who should be offered the place(s). There will be an independent scrutiny of the random allocation process.

## When do children start school?

Children born between 1 September 2017 - 31 August 2018 will be offered a full time place in a reception class from September 2022.

Infant schools are for 4+ to 7 year olds and primary schools are for 4+ to 11 year olds.

## Admission of children out of their normal age group

Any parent seeking a place for their child out of their chronological age group will need to apply in writing to the Admissions Team. The admission authority for the school must consider the circumstances of each case and make a decision in the best interests of the child. Where the application is accepted the child will be considered alongside all other applicants and in the rules below will be treated as "due to start school". Where the application is refused the parent will be offered the right of appeal unless a place can be offered in another year group.

You can find guidance on applying to defer a Reception place on our website [School Admissions](#) .

## Acle St Edmunds C of E Primary

Headteacher: Mrs Rebecca Clarke  
Address: Fletcher Way, Acle, Norwich, NR13 3RQ  
Website: [www.acleprimary.norfolk.sch.uk](http://www.acleprimary.norfolk.sch.uk)
