

Research Challenge

The idea of this sheet is to help you find out more about something you are already interested in

1 Can you find out the Dewey number or section for what you want?

(You could Ask, Look or use the Computer - ALC)

My interest _____ Dewey number _____

How many books have you found so far? _____

2 Can you find any sections about what you want in other books like encyclopaedias?

Remember, lots of general books will give you some information. Think about different categories that may help. You could ask or also do a search on the computer.

Remember – ALC, (Hint: If you are looking for 'Dogs', you could try 'Pets' or 'Animals')

How many more books or good websites have you found? _____

3 Look closely at the book and/or website you like the best.

Why do you think you like it the best? Is it...

- The writing?
- The pictures?
- The diagrams?
- The facts and figures?

Knowing what attracts you may help you to find more things for your learning.

What is really good about this book or website?

How could it be improved?
