**For immediate release**

**5 October 2023**

## **TL98210 Bridgham Bridge – Existing 3T Weight Restriction to be Removed**

From 30th October 2023 the existing 3 Tonne weight restriction on Bridgham Bridge TL98210 will be removed and Bridgham Lane will be open for use by all vehicle classes.

The 3 Tonne weight restriction was placed on the bridge in 2018 following the discovery of a number of defects that required further investigation.

Norfolk County Council has been regularly monitoring the bridge during this period and are now satisfied that the 3 Tonne weight restriction can be removed.

Norfolk County Council will continue to monitor the bridge under normal loading conditions in order to determine if any further action is required.

A map of the bridge location is attached for information.

### **For further information**

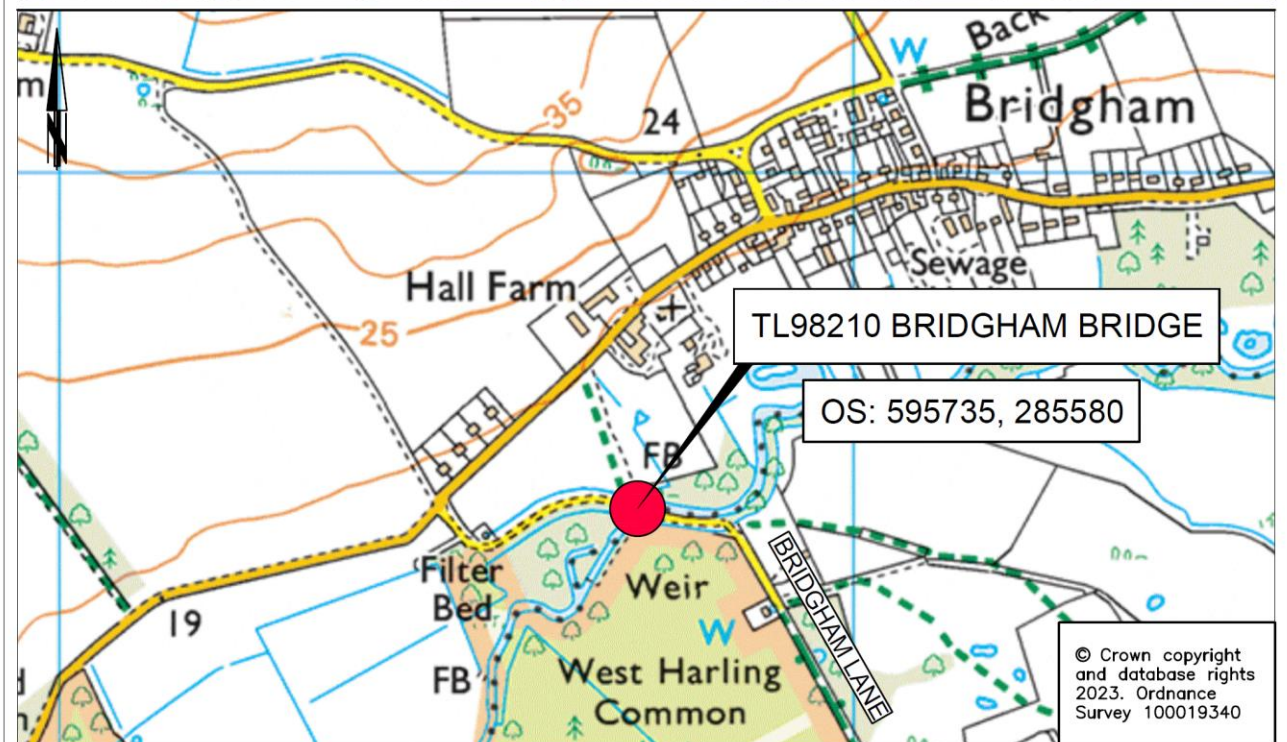

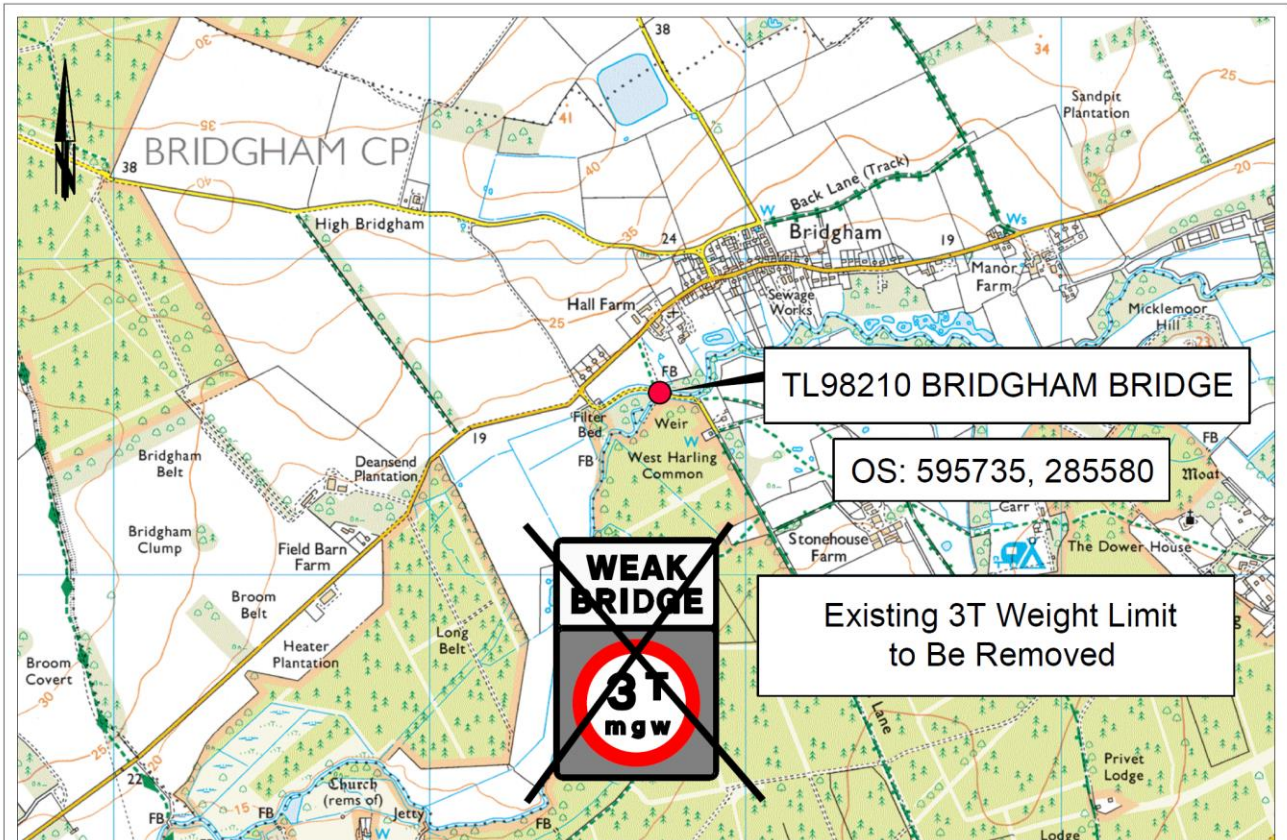

Kevin Siano, Engineer, 0344 800 8020.

Up-to-date information about roadworks in Norfolk is available on the County Council website at [www.norfolk.gov.uk/roadworks](http://www.norfolk.gov.uk/roadworks)

If you need this report in large print, audio, Braille, alternative format or in a different language please contact 0344 800 8020 and ask for Kevin Siano or textphone 0344 800 8011 and we will do our best to help.
