21 January 2020

Drayton Road, Norwich footway reconstruction

Reconstruction of the public footway along the south side of Drayton Road between Havers Road and Mile Cross Road is programmed to commence on Monday 27 January 2020 and is expected to take nine weeks to complete.

Vehicle access to businesses and properties within the limits of the closure will be maintained at all times. Parking will be suspended within the working area as necessary to allow the work to proceed safely.

The County Council would like to thank people for their patience while these works to replace the existing worn out surface are carried out.

The work will be carried out by Norfolk County Council’s Community & Environmental Services Department and their contractors.
