27 January 2020

Thorpe St Andrew: resurfacing of the double mini roundabout at junction of Plumstead Road East/ Thunder Lane/ Woodside Rd/ Beechwood Drive - Road Closure: 17 February 2020 for 4 working days

Essential resurfacing and kerbing works will start at the above junction on Monday, 10 February. In order to minimise disruption, the work will be carried out in two phases with 4-way traffic signals in place from 10 February for 5 days, followed by surfacing works with road closures from 17 February. We expect to be able to remove the traffic management for the road to be open as usual over the weekend of 15-16 February.

The closure of the junction is expected to be in place for 4 days. The planned closure dates are subject to change as any scheme can be affected by a number of factors including the weather.

Vehicular access to properties within the closure will be maintained from one direction at all times, and special signs indicating businesses remain open, will be in place. Emergency services and bus companies will also be made aware of the closure, so that arrangements can be made for their vehicles.

The road closure extents are:
1) Plumstead Rd East - From Furze Rd to Tracey Rd
2) Woodside Rd – From Plumstead Rd East for 100m Northwards
3) Thunder Lane – From Plumstead Rd East for 70m Southwards
4) Beechwood Drive - From Thunder Lane for 100m.

A fully signed official diversion route will be in place:
A1270 Broadland Northway,
A1194 Poppy Way,
A1194 Broadland Way,
A1042 Yarmouth Road,
A1042 Ring Road,
A1042 St Williams Way
A1042 Heartsease Lane,
C283 Salhouse Road,
A1270 Broadland Northway.
The County Council thanks people for their patience while this surfacing improvement work is carried out.

The work which will cost £98,750 will be carried out by Norfolk County Council’s Community and Environmental Services Department and their contractors.
