**For immediate release**

**29 August 2023**

## **Immediate Road Closure at Wighton Road Bridge TF94301, Wighton Road C327/16**

Wighton Road (C327/16), Wighton, will be closed for the foreseeable future due to vehicle colliding with the bridge and causing extensive damage.

The work will involve re-building the western brick Parapet wall, due to the nature of the damage and seasonal factors this road will be closed for a considerable time.

The road will remain closed to all motorised vehicles until the bridge is repaired. Pedestrian access will be available throughout the road closure.

A signed diversion route will be in place via The Street, Wells Road, High Street and Copys Green.

The County Council thanks people for their patience while this repair work is planned and carried out.

### **For further information**

Navid Afsher, Head of Highways Design and Development, 0344 800 8020.

Up-to-date information about roadworks in Norfolk is available on the County Council website at [www.norfolk.gov.uk/roadworks](http://www.norfolk.gov.uk/roadworks)
