

**The Commons Act 2006 – Section 19**  
**Notice of an Application for the correction of the Commons Register**

To every reputed owner, lessee, tenant or occupier of any part of the land described below, and to all others whom it may concern.

An application has been made to the Commons Registration Authority, Norfolk County Council, by Mr and Mrs Clayton under section 19(2)(a) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014. The applicants seek the correction of the commons map and registers of CL 46, Mulbarton Common in the Parish of Mulbarton, Norfolk, by the removal of land which forms part of the front curtilage of the property known as 'Dairy Farmhouse' Norwich Road, Mulbarton NR14 8JN as edged red and shaded green on the plan accompanying the application and attached to this Notice. The basis of the application is that this land which forms part of the front property curtilage was excluded from the original application for registration of Mulbarton Common dated 4 August 1967 but was mistakenly included by the Commons Registration Authority in the provisional registration of 16 October 1967, which being undisputed, became final on 1 October 1970. If the application is granted the Commons Registration Authority will give effect to the determination by removing the land edged red and shaded green on the application plan from the register of common land.
