

**The Commons Act 2006 – Section 19**  
**Notice of an Application for the correction of the Commons Register**

To every reputed owner, lessee, tenant or occupier of any part of the land described below, and to all others whom it may concern.

An application has been made to the Commons Registration Authority, Norfolk County Council, by Mr and Mrs Rockliff under section 19(2)(a) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The applicant seeks the correction of the commons map and registers for a parcel of land registered under unit CL 99 in the Parish of Swardeston, Norfolk. The applicant seeks the removal from registration as common land of the parcel of land on which North Cottage, High Common Swardeston, Norwich NR14 8DL is built together with a strip of land measuring 1.2 by 9.5 metres in the same ownership adjacent to the north side of North Cottage as edged in red on the attached plan. The basis for the application is that the land parcel and strip were excluded from the original application dated 25/1/1968 (received by the Commons Registration Authority on 29 January 1968) for the registration of common land at Swardeston but were mistakenly included, by the Commons Registration Authority, in the provisional registration of 6 February 1968. This provisional registration, being undisputed, became final on 1 October 1970.

If the application is granted the Commons Registration Authority will give effect to the determination by removing the land edged in red from the register of common land.
