We work on your behalf to help you to respond quickly and effectively to unauthorised encampments.

Whether you want help removing an encampment or an answer to a one-off tricky question, we have a range of solutions to meet your needs.

Our unauthorised encampment service

- ✓ Managing the removal of unauthorised encampments, coordinating site visits, assessments and engaging with all relevant statutory agencies e.g. the Police
- ✓ Advising on how to comply with due process and legal timelines
- ✓ Liaising with occupants of encampments to minimise tension and clear up costs on site
- ✓ Providing advice on how to deter future incursions on to your land
- ✓ Keeping you updated every step of the way

The biggest advantage of working with us

We work across Norfolk and Suffolk and have contacts UK wide. This means we have excellent knowledge of transient families entering the area, which helps us to manage unauthorised encampments effectively. We build trust and relationships with families, which reduces eviction and clear up costs.
