Dear Councillor Richmond

Police and Crime Commissioner for Norfolk – Annual Report 2019-20

Thank you for your letter dated 1st October 2020, confirming the Panel's endorsement of the draft Annual Report.

I note the Panel's recommendation with regard to the #Impact campaign and confirm that this will be considered and I will provide an update on progress in due course.

By way of background, Police, Fire and Public Health have met and it was agreed that a small project team will be set up to look at the next generation of delivery products for young drivers. The agreement was that #Impact needs refreshing or superseding with an updated product, including virtual technology. We are not the lead partners in this, so will keep tracking progress and provide an update to Panel members in due course.

I would like to take this opportunity to thank you and members of the Panel for their continued support.

Yours sincerely

Lorne Green
Police and Crime Commissioner
