Dear Mrs Osler

**Construction of cattle shed
Land South of Abbey Road Pentney Norfolk**

In relation to highways issues only, notice is hereby given that Norfolk County Council requests the following information be submitted:

So that I am able to form a balanced view of the proposals could I request that the applicant be asked to submit additional information, describing the type, volume and frequency of traffic that would be generated by the proposal, and how this would alter from existing.

On receipt of the information in respect of the above, I would wish to provide further comment.

Yours sincerely

Richard Smith

Highways Development Management Officer
for Executive Director for Community and Environmental Services
