Dear Sir or Madam

**Great Yarmouth Third River Crossing
 Section 48(1) Planning Act 2008
 Regulation 13 Infrastructure Planning (Environmental Impact Assessment)
 Regulations 2017**

In his Direction of 26 February 2018, the Secretary of State confirmed that he was satisfied that the proposed Great Yarmouth Third River Crossing ("The Proposed Scheme") is nationally significant. He therefore directed that the Proposed Scheme, and any associated matters, is to be treated as development for which development consent under the Planning Act 2008 is required.

In order to progress the Proposed Scheme, Norfolk County Council therefore intends to make an application under the Planning Act 2008 for a Development Consent Order (DCO) in order to obtain the necessary consents to construct, operate and maintain the Proposed Scheme.

A notice pursuant to Section 48 of the Planning Act 2008, providing notification that Norfolk County Council, intends to make this application is being published in the following publications and on the dates detailed below.

Publication	Dates of Notice Publication
Eastern Daily Press	17 and 24 August 2018
Great Yarmouth Mercury	17 and 24 August 2018
The Times	24 August 2018
The London Gazette	24 August 2018

Continued.../

Due its nature and size, the Proposed Scheme is EIA development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (“the EIA Regulations”). It will therefore require environmental impact assessment under the EIA Regulations. An Environmental Statement (ES) will accompany the application for a DCO, and preliminary environmental information has been prepared. The Section 48 Notice explains where and how this (and other documents relating to the Proposed Scheme) can be inspected.

As part of the EIA process, Regulation 13 of the EIA Regulations requires that I send you and other specified persons a copy of the Section 48 Notice the Council is publishing I therefore enclose a copy of the Section 48 Notice.

Should you have any queries regarding this letter or any other elements of the Great Yarmouth Third River Crossing scheme proposal please do not hesitate to contact me by telephoning 01603 224279 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully

Regulation 4 of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009
Great Yarmouth Third River Crossing - Proposed application for development consent

Notice is hereby given that Norfolk County Council ("The Applicant") of County Hall, Martineau Lane, Norwich NR1 2DH proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for an order granting development consent for the Great Yarmouth Third River Crossing ("The Third River Crossing").

The main elements of the proposed Third River Crossing will be:

- A new dual carriageway road across the River Yare in Great Yarmouth, linking the A47 at Harfrey's Roundabout on the western side to the A1243 South Denes Road on the eastern side;
- A double leaf bascule bridge providing an opening span for vessel movement. This includes structures to support and accommodate operational requirements of the opening mechanism, including counterweights either at, above or below the bridge deck;
- New substructures to support the double leaf bascule bridge within the existing quays either side of the river and within the river itself; potentially requiring new temporary or permanent "knuckle" walls or cofferdams in the waterway to accommodate their construction;
- A new five-arm roundabout connecting the new crossing with Suffolk Road, William Adams Way and the western end of Queen Anne's Road;
- A single span bridge over Southtown Road, with either reinforced earth embankments or embankments retained by reinforced earth walls, or a combination of these, joining that bridge to the new roundabout at William Adams Way;
- The closure of Queen Anne's Road at its junction with Suffolk Road, and the opening of a new priority junction onto Southtown Road providing access to the Queen Anne's Road residential area;
- Revised access arrangements for existing businesses onto the local highway network including, potentially, a new structure to allow vehicular access under the proposed crossing on the eastern bank subject to agreement with affected businesses and landowner;
- Dedicated provision for cyclists and pedestrians which tie into existing networks;
- A control tower structure located in proximity to the crossing on the western side of the river. The control tower will facilitate the 24/7 operation of the opening span of the new double leaf bascule bridge;
- The demolition of an existing pedestrian bridge on William Adams Way;
- Associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling. This could include improvements within the existing highway boundary to some existing junctions within the red line boundary, in addition to amended parking arrangements;
- Additional signage to assist the movement of traffic in response to network conditions and the openings / closings of the double leaf bascule bridge;
- The relocation of existing allotments to compensate for an area to be lost as a result of the proposed scheme;
- New public realm, landscape, ecology and sustainable drainage improvements;
- Provision of small vessel waiting facilities to the north and south of the crossing, either as floating pontoons or additional fendering to the existing berths, including any dredging and quay strengthening works that may be required;

- Provision of a large vessel waiting facility, if deemed necessary following risk assessment, at a remote location south of the crossing, including any dredging, quay strengthening, fendering and mooring alterations required;
- Provision of drainage infrastructure, lighting and landscaping.

The Third River Crossing will be EIA development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations. It will therefore require environmental impact assessment and an Environmental Statement will accompany the application for a DCO.

The Applicant is seeking views on the current detailed proposals for the Third River Crossing (e.g. alignment, junctions, design details and mitigation measures). Views are also sought on all other matters relating to the Third River Crossing, including the principle of and need for a new crossing, and the effects on the environment.

Details of the proposals, including scheme details and preliminary environmental information, can be inspected free of charge between 20 August 2018 and 5 October 2018 at the locations below. These documents can also be viewed free of charge on Norfolk County Council's website: - www.norfolk.gov.uk/3rc. Paper copies of these documents can be requested from Norfolk County Council between 20 August 2018 and 5 October 2018. Requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Responses in respect of this project should be made by writing to Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH or by e-mailing gy3rc-st3consultation@norfolk.gov.uk.

The deadline for receipt of responses is 23:59hrs on 5th October 2018. Please note that responses may be published. Personal details will be held securely and used solely for purposes in connection with the application for development consent, assessment and determination of the application and otherwise in connection with the proposed Third River Crossing. Personal details will not be disclosed to any third parties except where the County Council is required to do so by law.

Tom McCabe

Dear Sir or Madam

**Great Yarmouth Third River Crossing
Section 48(1) Planning Act 2008
Regulation 13 Infrastructure Planning (Environmental Impact Assessment)
Regulations 2017**

My letter of 17 August 2018 notified you that Norfolk County Council intends to make an application under the Planning Act 2008 for a Development Consent Order (DCO) in order to obtain the necessary consents to construct, operate and maintain the Great Yarmouth Third River Crossing.

Due to its nature and size, the Great Yarmouth Third River Crossing scheme is EIA development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 ("the EIA Regulations"). It will therefore require environmental impact assessment under the EIA Regulations and an Environmental Statement (ES) will accompany the application for a DCO.

As part of the EIA process, and in accordance with Regulation 13 of the EIA Regulations, a copy of the Section 48 Notice was enclosed with my original letter. This notice was subsequently published on the dates detailed in my letter and details of the scheme proposals, including preliminary environmental information in the form of a Preliminary Environmental Information Report (PEIR), was made available for inspection between 20 August 2018 and 5 October 2018.

During the consultation, we became aware that volume II of the PEIR as published had 21 figures (plans) missing. In response to this, we are extending the consultation deadline to make sure people are aware of the issue and have plenty of time to consider and comment on the figures alongside the published consultation documents. **The new deadline for responses to this consultation is 23:59hrs on Sunday 9 December 2018.**

Continued.../

A further notice, explaining the omission of the figures and stating the extended deadline for the responses to this consultation is being published in the following publications and on the dates detailed below.

Publication	Dates of Notice Publication
Eastern Daily Press	26 October 2018
Great Yarmouth Mercury	26 October 2018
The Times	26 October 2018
The London Gazette	26 October 2018

I enclose a copy of the further notice being published.

Should you have any queries regarding this letter or any other elements of the Great Yarmouth Third River Crossing scheme proposal please do not hesitate to contact me by telephoning 01603 224279 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully

Section 48 Planning Act 2008

Regulation 4 of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009

Great Yarmouth Third River Crossing - Proposed application for development consent Extension of deadline for responses

The Notice published on 24 August 2018 gave notice that Norfolk County Council ("The Council") of County Hall, Martineau Lane, Norwich NR1 2DH proposed to apply to the Secretary of State under Section 37 of the Planning Act 2008 for an order granting development consent for the Great Yarmouth Third River Crossing ("The Third River Crossing").

The Third River Crossing will be EIA development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations. It will therefore require environmental impact assessment and an Environmental Statement will accompany the application for a Development Consent Order. Details of the scheme proposals, including preliminary environmental information in the form of a Preliminary Environmental Information Report (PEIR), were previously made available for inspection between 20 August 2018 and 5 October 2018. However, the Council has become aware that Volume II of the published PEIR omitted 21 figures (plans). These figures are now being made available as detailed below.

In light of the missing figures now being made available, the deadline for responses to this consultation has been extended to 23:59hrs on Sunday 9 December 2018. The Council will welcome responses to any aspect of the Third River Crossing proposals, not just the missing figures.

The missing figures, together with the previously published consultation documents, including scheme details and preliminary environmental information, are available for inspection free of charge between 22 October 2018 and 9 December 2018 at the locations below. These documents can also be viewed free of charge on Norfolk County Council's website: - www.norfolk.gov.uk/3rc.

Great Yarmouth Town Hall closes at 3pm on the first Thursday of each month							

Paper copies of the documents can be requested, from Norfolk County Council between 22 October 2018 and 9 December 2018. Requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Documents will be provided free of charge, except that a charge of £10 will be made for printing the full PEIR unless there are extenuating circumstances (which should be explained when requesting the document).

Responses in respect of this project should be made by writing to Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH or by e-mailing gy3rc-st3consultation@norfolk.gov.uk. **The deadline for receipt of responses is now 23:59hrs on Sunday 9 December 2018.**

Please note that responses may be published. Personal details will be held securely and used solely for purposes in connection with the application for development consent, assessment and determination of the application and otherwise in connection with the proposed Third River Crossing. Personal details will not be disclosed to any third parties except where the County Council is required to do so by law.

Dear Sir or Madam

**Great Yarmouth Third River Crossing
 Formal Consultation under Section 42 of the Planning Act 2008**

I am writing to formally consult you under Section 42 of the Planning Act 2008 on Norfolk County Council's proposals for the Great Yarmouth Third River Crossing.

Why are we consulting?

Norfolk County Council intends to build a new bridge across the River Yare to link the A47 at the Harfrey's Roundabout in the Southtown area of Great Yarmouth to the South Denes area and the enterprise zone on the other side of the river ("the Proposed Scheme").

On 26 February 2018, the Secretary of State for Transport determined that the Proposed Scheme is nationally significant and requires development consent under the Planning Act 2008. As a result, Norfolk County Council intends to make an application for a Development Consent Order (DCO) to progress the Proposed Scheme. If a DCO is made by the Secretary of State, it is anticipated that construction would commence in late 2020. Further information relating to the Proposed Scheme, including the Preliminary Environmental Information Report ('PEIR') that has been compiled for it, is set out below and provided on the memory stick that is enclosed with this letter.

Section 42 Duty to Consult

As part of the process of seeking a DCO, Norfolk County Council is required to carry out pre-application consultation in accordance with Section 42 of the Planning Act 2008. This requires consultation with specified local authorities, prescribed consultees and those with specified interests in affected land. You are being consulted as your organisation has been identified as a relevant local authority for the purposes of this consultation.

At present the County Council does not intend to carry out any further rounds of pre-application consultation, and if so **this consultation will be the last opportunity to comment on proposals for the Third River Crossing prior to the application for a DCO being made.**

Continued.../

However, should the application for a DCO be accepted there will be the opportunity for people to register with the Planning Inspectorate (which is the organisation that administers applications for DCOs) and provide a written summary of their views on the application. This will enable them to become an Interested Party and be able to participate in the subsequent statutory examination through which the submitted application for a DCO will be assessed prior to its determination by the relevant Secretary of State.

You should also bear in mind that the Planning Act 2008 regime is intended to provide, so far as practicable, a single forum for assessment and authorisation of a proposed project. A DCO, if granted, removes the need for planning permission, can authorise the compulsory acquisition of land and rights in land, and deal with many other regulatory consents which a project would otherwise need. This emphasises the importance of the present pre-application consultation and its role in shaping the Proposed Scheme.

How to take part in this consultation

Enclosed with this letter is a memory stick containing the following documents:

- (1) **A Consultation Brochure** – This provides an overall summary of the scheme.
- (2) **A Preliminary Environmental Information Report (PEIR)** - For the purposes of this formal pre-application consultation, Preliminary Environmental Information in the form of a Report (PEIR) has been prepared in accordance with Regulation 12 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. The PEIR details the current proposals for the Proposed Scheme and explains the methods and preliminary findings of our assessment of the environmental impacts of the proposals. Its purpose is to enable consultees to develop an informed view of the likely significant effects of the Proposed Scheme. Those views will assist the Council in preparing the statutory Environmental Statement which will accompany the application for a DCO.
- (3) **A Non-Technical Summary of the PEIR** – This has been prepared and forms part of the consultation documents for this consultation.
- (4) **A Non-Technical Note on Transport Modelling** – This has been provided in order to describe the process that has been undertaken to produce the provisional daily traffic flow information contained within the Consultation Brochure.
- (5) **Design Process Summary** – This provides a summary of the how the design of the Proposed Scheme has been developed.
- (6) **Scheme Photo Visualisations** – These show illustrative examples of a bascule bridge with counter weights below bridge deck and knuckles built out into river and a bascule bridge with counter weights above bridge deck and piers in the river, which form the envelope of bridge options described by the PEIR.
- (7) **Questions and Answers** – A list of frequently asked questions about the project and their answers.

If you are unable to view the documents contained on the memory stick then they can be found on Norfolk County Council's website (www.norfolk.gov.uk/3rc). Paper copies are also available to view, between 7 September 2018 and 21 October 2018, at the following locations during opening hours:

- Great Yarmouth Library, Tolhouse Street, Great Yarmouth, NR30 2SH;
- Gorleston Library, Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG;
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW;
- Kings Centre, 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE;
- Great Yarmouth Town Hall, Hall Plain, Great Yarmouth, NR30 2QF;
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ.

Alternatively, paper copies of these documents can be requested from Norfolk County Council between 7 September 2018 and 21 September 2018. Requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Documents will be provided free of charge, except that a charge of £10 will be made for printing the PEIR unless there are extenuating circumstances (which should be explained when requesting the document).

How to find out more

The County Council is holding specific consultation events for Section 42 consultees, which will be staffed to allow people to hold face-to-face discussions with the project team. The dates and venues of these Consultation Events are provided below.

Venue	Date	Time
Peggotty Road Community Centre Peggotty Road, Great Yarmouth, NR30 3EB	Tuesday 25 September 2018	10:00am to 8:00pm
Kings Centre 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE	Thursday 27 September 2018	10:00am to 8:00pm

How to respond to the consultation

You may be aware that Norfolk County Council is already undertaking a separate general consultation with the local community in accordance with Section 47 of the Planning Act 2008. This is taking place between 20 August 2018 and 5 October 2018. The Council has also published notices in the press which invite comments by 5 October.

However, as you are entitled to individual consultation under Section 42 of the Act and because the enclosed memory stick contains a number of documents that you may want to consider, please note that **the deadline for receipt of your response to the Section 42 consultation described in this letter has been extended to 23:59hrs on Sunday 21 October 2018.**

Any response to this consultation should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH

Responses should include an indication of who is making the response and their correspondence address. Responses will be summarised in a consultation report that will form part of the application documents for the DCO. Please note that responses may be published.

Personal details will be held securely and used solely for purposes in connection with the pre-application consultations, DCO application process, assessment and determination of the application and otherwise in connection with the further development of the scheme. Personal details will not be disclosed to any third parties except where the County Council is required to do so by law (e.g. where required to respond to a formal Freedom of Information Act request).

Next Steps

The Council expects to submit the DCO application for examination by the Secretary of State, via the Planning Inspectorate in Spring 2019.

Should you have any queries on the consultation documents or any other elements of the Great Yarmouth Third River Crossing Scheme proposal please do not hesitate to contact me by telephoning 0344 800 8020 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully

Enclosed

Great Yarmouth Third River Crossing Proposal Summary Plan

Please note the above plan only provides an outline summary of the scheme proposals. The proposals and their impacts are described in more detail in the consultation documents contained on the enclosed memory stick.

If you need this document printed in large print, Braille, alternative format, sound or other language, please email gy3rc-st3consultation@norfolk.gov.uk, contact customer service at 0344 800 8020 or text message at 18001 0344 800 8020 (text phone) and we will try to help you.

Ak potrebujete tento dokument vytlačený veľkým písmom, Braillovým písmom, v alternatívnom formáte, vo zvukovej forme alebo v inom jazyku, pošlite e-mailovú správu na adresu gy3rc-st3consultation@norfolk.gov.uk, kontaktujte oddelenie služieb zákazníkom na čísle 0344 800 8020 alebo pošlite textovú správu na 18001 0344 800 8020 (textový telefón) a vynasnažíme sa pomôcť vám.

Если вам необходимо распечатать этот документ крупным шрифтом, шрифтом Брайля, а также если этот документ нужен вам в аудио-формате, альтернативном формате или на другом языке, отправьте сообщение на адрес электронной почты gy3rc-st3consultation@norfolk.gov.uk, обратитесь в центр обслуживания клиентов по телефону 0344 800 8020 или службу для людей с ограниченными возможностями по номеру 18001 0344 800 8020 (текстофон), и мы сделаем все возможное, чтобы вам помочь.

Dear Sir or Madam

**Great Yarmouth Third River Crossing
Formal Consultation under Section 42 of the Planning Act 2008 — extension of
consultation period**

My letter of 6 September 2018 formally consulted you under Section 42 of the Planning Act 2008 on Norfolk County Council's proposals for the Great Yarmouth Third River Crossing. Enclosed with the letter was a memory stick that contained the consultation documents, including a Preliminary Environmental Information Report (PEIR). Please note that when using the memory stick the documents may appear under the 'CD-ROM (D:)' drive.

During the consultation, we became aware that volume II of the PEIR as published had 21 figures (plans) missing. In response to this, we are extending the consultation deadline to make sure people are aware of the issue and have plenty of time to consider and comment on the figures alongside the published consultation documents.

What is a PEIR?

The PEIR details the current proposals for the proposed scheme and explains the methods and preliminary findings of our assessment of the environmental effects of the proposals. Its purpose is to help consultees develop an informed view of the likely significant environmental effects of the proposals. Those views will help the Council to prepare the statutory Environmental Statement, which will accompany the application for a Development Consent Order (DCO).

Where can I see the figures that were missing?

Enclosed is a copy of all the figures that were missing from the original PEIR document. For practical reasons of postage, we have had to supply these at a small scale (A4 size) but full-size versions are available on request, or you can download pdfs of the documents at www.norfolk.gov.uk/3rcconsultation.

Continued.../

In addition, between 22 October 2018 and 9 December 2018, paper copies of the figures, together with paper copies of all the other consultation documents, can be viewed at the following locations:

- Great Yarmouth Library, Tolhouse Street, Great Yarmouth, NR30 2SH;
- Gorleston Library, Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG;
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW;
- Kings Centre, 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE;
- Great Yarmouth Town Hall, Hall Plain, Great Yarmouth, NR30 2QF;
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ.

Paper copies can be requested between 22 October 2018 and 9 November 2018 – requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Documents will be provided free of charge, except that a charge of £10 will be made for printing the full PEIR unless there is special justification (which should be explained when requesting the document).

The index at the foot of this letter provides a full list of the figures enclosed which were missing from the original published PEIR and are available through the methods above.

New deadline for responses

Due to the publication of these missing figures, and to allow consultees time to consider and respond to them, the new deadline for responses to this consultation is **23:59hrs on Sunday 9 December 2018**. We will welcome responses to any aspects of the consultation, not just the missing figures.

Please note that we do not anticipate that the extension to the consultation period will affect the overall project timescales and we still expect to submit a DCO application for examination by the Secretary of State, via the Planning Inspectorate, in Spring 2019.

More information

If you have any queries about this consultation, the deadline extension, or any other elements of the Great Yarmouth Third River Crossing scheme proposal, please contact us by calling 0344 800 8020 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully,

[Redacted signature block]

Great Yarmouth Third River Crossing - Stage 3 (Statutory pre-application) Consultation Preliminary Environmental Information Report (PEIR) Index of Missing Figures

Figure	Description
Figure 8.3: Bat Survey Area	1 plan showing the proposed locations of bat surveys, including internal roost inspections, listening points and activity transects. (See Table 8.3 of PEIR Volume 1)
Figure 8.4: Water Vole Survey Area	1 plan showing the proposed locations for surveys to identify the presence of water voles. (See Table 8.3 of PEIR Volume 1)
Figure 8.5: Bird Survey Area	1 plan showing the proposed locations for surveys to identify the presence and species of birds. (See Table 8.3 of PEIR Volume 1)
Figure 8.6: Statutory Designated Sites	1 plan showing the locations of Statutory designated conservation sites such as Sites of Special Scientific Interest. (See Section 8.4.3 to 8.4.4 of PEIR Volume 1)
Figures 9.1 and 9.1a: Designated Heritage Assets	2 plans showing the locations of designated cultural heritage features (e.g. Conservation Areas, Listed Buildings and Scheduled Monuments) within a 1km study area of the Proposed Scheme. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 9.2: Non-Designated Heritage Assets	1 plan showing the locations of non-designated cultural heritage features within 500m of the Proposed Scheme (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1). Non-designated cultural heritage assets include features identified as having a degree of significance, meriting consideration in planning decisions but which are not formally designated.
Figure 9.3a to 9.3f: Heritage Assets (Designated and Non-Designated): Proposed VMS Locations	6 plans showing the locations of both designated and non-designated cultural heritage features within 250m of the proposed electronic variable message traffic signs. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 9.3g: Heritage Assets (Designated): Proposed Large Vessel Waiting Facility	1 plan showing the locations of both designated and non-designated cultural heritage features within 250m of the proposed large vessel waiting facility. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 10.1: Proposed Viewpoint Locations	1 plan showing the locations used for assessment of the visual impact of the Proposed Scheme. (See Sections 10.3.34 to 10.3.36 of PEIR Volume 1)
Figure 10.2: Proposed Viewpoint Locations	1 plan showing the locations used for assessment of the visual impact of the Proposed Scheme. (See Sections 10.3.34 to 10.3.36 of PEIR Volume 1)
Figure 10.3: Proposed Study Area	1 plan showing the overall study area for assessment of the visual impact of the Proposed Scheme. (See Chapter 10 of PEIR Volume 1)

Figure 11.1: Water Environment Key Features	1 plan showing the overall study area for assessment of the drainage and groundwater impacts of the Proposed Scheme. (See Chapter 11 of PEIR Volume 1)
Figure 12.1: Flood Risk Study Area	1 plan showing the overall study area for assessment of the flood risk impacts of the Proposed Scheme. (See Chapter 12 of PEIR Volume 1)
Figure 12.2: EA Flood Map for Planning	1 plan showing the Environment Agency designated flood risk zones. (See Sections 12.4.1 to 12.4.6 of PEIR Volume 1)
Figure 17.1: Transport Assessment Study Area	1 plan showing the overall study area for assessment of the transport impact of the Proposed Scheme. (See Chapter 14 of PEIR Volume 1)

Dear Sir or Madam

**Great Yarmouth Third River Crossing
Formal Consultation under Section 42 of the Planning Act 2008**

I am writing to formally consult you under Section 42 of the Planning Act 2008 on Norfolk County Council's proposals for the Great Yarmouth Third River Crossing.

Why are we consulting?

Norfolk County Council intends to build a new bridge across the River Yare to link the A47 at the Harfrey's Roundabout in the Southtown area of Great Yarmouth to the South Denes area and the enterprise zone on the other side of the river ("the Proposed Scheme").

On 26 February 2018, the Secretary of State for Transport determined that the Proposed Scheme is nationally significant and requires development consent under the Planning Act 2008. As a result, Norfolk County Council intends to make an application for a Development Consent Order (DCO) to progress the Proposed Scheme. If a DCO is made by the Secretary of State, it is anticipated that construction would commence in late 2020. Further information relating to the Proposed Scheme, including the Preliminary Environmental Information Report ('PEIR') that has been compiled for it, is set out below and provided on the memory stick that is enclosed with this letter.

Section 42 Duty to Consult

As part of the process of seeking a DCO, Norfolk County Council is required to carry out pre-application consultation in accordance with Section 42 of the Planning Act 2008. This requires consultation with specified local authorities, prescribed consultees and those with specified interests in affected land. You are being consulted as your organisation has been identified as a prescribed consultee for the purposes of this consultation.

At present the County Council does not intend to carry out any further rounds of pre-application consultation, and if so **this consultation will be the last opportunity to comment on proposals for the Third River Crossing prior to the application for a DCO being made.**

Continued.../

However, should the application for a DCO be accepted there will be the opportunity for people to register with the Planning Inspectorate (which is the organisation that administers applications for DCOs) and provide a written summary of their views on the application. This will enable them to become an Interested Party and be able to participate in the subsequent statutory examination through which the submitted application for a DCO will be assessed prior to its determination by the relevant Secretary of State.

You should also bear in mind that the Planning Act 2008 regime is intended to provide, so far as practicable, a single forum for assessment and authorisation of a proposed project. A DCO, if granted, removes the need for planning permission, can authorise the compulsory acquisition of land and rights in land, and deal with many other regulatory consents which a project would otherwise need. This emphasises the importance of the present pre-application consultation and its role in shaping the Proposed Scheme.

How to take part in this consultation

Enclosed with this letter is a memory stick containing the following documents:

- (1) **A Consultation Brochure** – This provides an overall summary of the scheme.
- (2) **A Preliminary Environmental Information Report (PEIR)** - For the purposes of this formal pre-application consultation, Preliminary Environmental Information in the form of a Report (PEIR) has been prepared in accordance with Regulation 12 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. The PEIR details the current proposals for the Proposed Scheme and explains the methods and preliminary findings of our assessment of the environmental impacts of the proposals. Its purpose is to enable consultees to develop an informed view of the likely significant effects of the Proposed Scheme. Those views will assist the Council in preparing the statutory Environmental Statement which will accompany the application for a DCO.
- (3) **A Non-Technical Summary of the PEIR** – This has been prepared and forms part of the consultation documents for this consultation.
- (4) **A Non-Technical Note on Transport Modelling** – This has been provided in order to describe the process that has been undertaken to produce the provisional daily traffic flow information contained within the Consultation Brochure.
- (5) **Design Process Summary** – This provides a summary of the how the design of the Proposed Scheme has been developed.
- (6) **Scheme Photo Visualisations** – These show illustrative examples of a bascule bridge with counter weights below bridge deck and knuckles built out into river and a bascule bridge with counter weights above bridge deck and piers in the river, which form the envelope of bridge options described by the PEIR.
- (7) **Questions and Answers** – A list of frequently asked questions about the project and their answers.

If you are unable to view the documents contained on the memory stick then they can be found on Norfolk County Council's website (www.norfolk.gov.uk/3rc). Paper copies are also available to view, between 7 September 2018 and 21 October 2018, at the following locations during opening hours:

- Great Yarmouth Library, Tolhouse Street, Great Yarmouth, NR30 2SH;
- Gorleston Library, Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG;
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW;
- Kings Centre, 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE;
- Great Yarmouth Town Hall, Hall Plain, Great Yarmouth, NR30 2QF;
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ.

Alternatively, paper copies of these documents can be requested from Norfolk County Council between 7 September 2018 and 21 September 2018. Requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Documents will be provided free of charge, except that a charge of £10 will be made for printing the PEIR unless there are extenuating circumstances (which should be explained when requesting the document).

How to find out more

The County Council is holding specific consultation events for Section 42 consultees, which will be staffed to allow people to hold face-to-face discussions with the project team. The dates and venues of these Consultation Events are provided below.

Venue	Date	Time
Peggotty Road Community Centre Peggotty Road, Great Yarmouth, NR30 3EB	Tuesday 25 September 2018	10:00am to 8:00pm
Kings Centre 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE	Thursday 27 September 2018	10:00am to 8:00pm

How to respond to the consultation

You may be aware that Norfolk County Council is already undertaking a separate general consultation with the local community in accordance with Section 47 of the Planning Act 2008. This is taking place between 20 August 2018 and 5 October 2018. The Council has also published notices in the press which invite comments by 5 October.

However, as you are entitled to individual consultation under Section 42 of the Act and because the enclosed memory stick contains a number of documents that you may want to consider, please note that **the deadline for receipt of your response to the Section 42 consultation described in this letter has been extended to 23:59hrs on Sunday 21 October 2018.**

Any response to this consultation should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH

Responses should include an indication of who is making the response and their correspondence address. Responses will be summarised in a consultation report that will form part of the application documents for the DCO. Please note that responses may be published.

Personal details will be held securely and used solely for purposes in connection with the pre-application consultations, DCO application process, assessment and determination of the application and otherwise in connection with the further development of the scheme. Personal details will not be disclosed to any third parties except where the County Council is required to do so by law (e.g. where required to respond to a formal Freedom of Information Act request).

Next Steps

The Council expects to submit the DCO application for examination by the Secretary of State, via the Planning Inspectorate in Spring 2019.

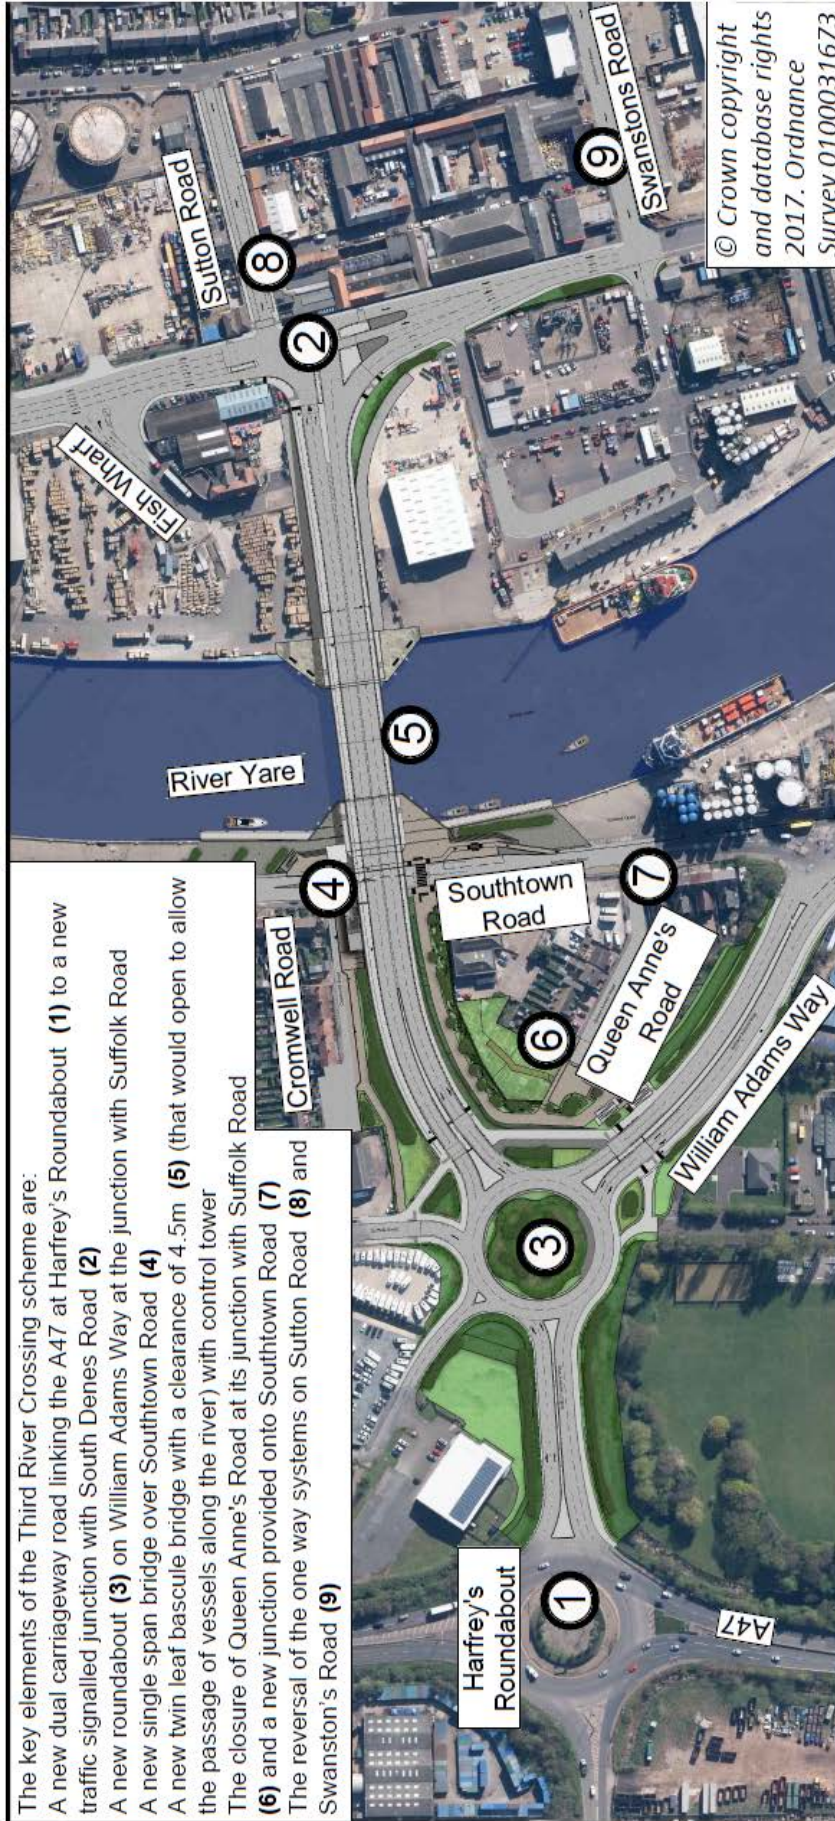

Should you have any queries on the consultation documents or any other elements of the Great Yarmouth Third River Crossing Scheme proposal please do not hesitate to contact me by telephoning 0344 800 8020 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully

Enclosed

Great Yarmouth Third River Crossing Proposal Summary Plan

Please note the above plan only provides an outline summary of the scheme proposals. The proposals and their impacts are described in more detail in the consultation documents contained on the enclosed memory stick.

If you need this document printed in large print, Braille, alternative format, sound or other language, please email gy3rc-st3consultation@norfolk.gov.uk, contact customer service at 0344 800 8020 or text message at 18001 0344 800 8020 (text phone) and we will try to help you.

Ak potrebujete tento dokument vytlačený veľkým písmom, Braillovým písmom, v alternatívnom formáte, vo zvukovej forme alebo v inom jazyku, pošlite e-mailovú správu na adresu gy3rc-st3consultation@norfolk.gov.uk, kontaktujte oddelenie služieb zákazníkom na čísle 0344 800 8020 alebo pošlite textovú správu na 18001 0344 800 8020 (textový telefón) a vynasnažíme sa pomôcť vám.

Если вам необходимо распечатать этот документ крупным шрифтом, шрифтом Брайля, а также если этот документ нужен вам в аудио-формате, альтернативном формате или на другом языке, отправьте сообщение на адрес электронной почты gy3rc-st3consultation@norfolk.gov.uk, обратитесь в центр обслуживания клиентов по телефону 0344 800 8020 или службу для людей с ограниченными возможностями по номеру 18001 0344 800 8020 (текстофон), и мы сделаем все возможное, чтобы вам помочь.

Dear Sir or Madam

**Great Yarmouth Third River Crossing
Formal Consultation under Section 42 of the Planning Act 2008 — extension of
consultation period**

My letter of 6 September 2018 formally consulted you under Section 42 of the Planning Act 2008 on Norfolk County Council's proposals for the Great Yarmouth Third River Crossing. Enclosed with the letter was a memory stick that contained the consultation documents, including a Preliminary Environmental Information Report (PEIR). Please note that when using the memory stick the documents may appear under the 'CD-ROM (D:)' drive.

During the consultation, we became aware that volume II of the PEIR as published had 21 figures (plans) missing. In response to this, we are extending the consultation deadline to make sure people are aware of the issue and have plenty of time to consider and comment on the figures alongside the published consultation documents.

What is a PEIR?

The PEIR details the current proposals for the proposed scheme and explains the methods and preliminary findings of our assessment of the environmental effects of the proposals. Its purpose is to help consultees develop an informed view of the likely significant environmental effects of the proposals. Those views will help the Council to prepare the statutory Environmental Statement, which will accompany the application for a Development Consent Order (DCO).

Where can I see the figures that were missing?

Enclosed is a copy of all the figures that were missing from the original PEIR document. For practical reasons of postage, we have had to supply these at a small scale (A4 size) but full-size versions are available on request, or you can download pdfs of the documents at www.norfolk.gov.uk/3rcconsultation.

Continued...

In addition, between 22 October 2018 and 9 December 2018, paper copies of the figures, together with paper copies of all the other consultation documents, can be viewed at the following locations:

- Great Yarmouth Library, Tolhouse Street, Great Yarmouth, NR30 2SH;
- Gorleston Library, Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG;
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW;
- Kings Centre, 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE;
- Great Yarmouth Town Hall, Hall Plain, Great Yarmouth, NR30 2QF;
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ.

Paper copies can be requested between 22 October 2018 and 9 November 2018 – requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Documents will be provided free of charge, except that a charge of £10 will be made for printing the full PEIR unless there is special justification (which should be explained when requesting the document).

The index at the foot of this letter provides a full list of the figures enclosed which were missing from the original published PEIR and are available through the methods above.

New deadline for responses

Due to the publication of these missing figures, and to allow consultees time to consider and respond to them, the new deadline for responses to this consultation is **23:59hrs on Sunday 9 December 2018**. We will welcome responses to any aspects of the consultation, not just the missing figures.

Please note that we do not anticipate that the extension to the consultation period will affect the overall project timescales and we still expect to submit a DCO application for examination by the Secretary of State, via the Planning Inspectorate, in Spring 2019.

More information

If you have any queries about this consultation, the deadline extension, or any other elements of the Great Yarmouth Third River Crossing scheme proposal, please contact us by calling 0344 800 8020 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully,

[Redacted title]

Great Yarmouth Third River Crossing - Stage 3 (Statutory pre-application) Consultation Preliminary Environmental Information Report (PEIR) Index of Missing Figures

Figure	Description
Figure 8.3: Bat Survey Area	1 plan showing the proposed locations of bat surveys, including internal roost inspections, listening points and activity transects. (See Table 8.3 of PEIR Volume 1)
Figure 8.4: Water Vole Survey Area	1 plan showing the proposed locations for surveys to identify the presence of water voles. (See Table 8.3 of PEIR Volume 1)
Figure 8.5: Bird Survey Area	1 plan showing the proposed locations for surveys to identify the presence and species of birds. (See Table 8.3 of PEIR Volume 1)
Figure 8.6: Statutory Designated Sites	1 plan showing the locations of Statutory designated conservation sites such as Sites of Special Scientific Interest. (See Section 8.4.3 to 8.4.4 of PEIR Volume 1)
Figures 9.1 and 9.1a: Designated Heritage Assets	2 plans showing the locations of designated cultural heritage features (e.g. Conservation Areas, Listed Buildings and Scheduled Monuments) within a 1km study area of the Proposed Scheme. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 9.2: Non-Designated Heritage Assets	1 plan showing the locations of non-designated cultural heritage features within 500m of the Proposed Scheme (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1). Non-designated cultural heritage assets include features identified as having a degree of significance, meriting consideration in planning decisions but which are not formally designated.
Figure 9.3a to 9.3f: Heritage Assets (Designated and Non-Designated): Proposed VMS Locations	6 plans showing the locations of both designated and non-designated cultural heritage features within 250m of the proposed electronic variable message traffic signs. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 9.3g: Heritage Assets (Designated): Proposed Large Vessel Waiting Facility	1 plan showing the locations of both designated and non-designated cultural heritage features within 250m of the proposed large vessel waiting facility. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 10.1: Proposed Viewpoint Locations	1 plan showing the locations used for assessment of the visual impact of the Proposed Scheme. (See Sections 10.3.34 to 10.3.36 of PEIR Volume 1)
Figure 10.2: Proposed Viewpoint Locations	1 plan showing the locations used for assessment of the visual impact of the Proposed Scheme. (See Sections 10.3.34 to 10.3.36 of PEIR Volume 1)
Figure 10.3: Proposed Study Area	1 plan showing the overall study area for assessment of the visual impact of the Proposed Scheme. (See Chapter 10 of PEIR Volume 1)

Figure 11.1: Water Environment Key Features	1 plan showing the overall study area for assessment of the drainage and groundwater impacts of the Proposed Scheme. (See Chapter 11 of PEIR Volume 1)
Figure 12.1: Flood Risk Study Area	1 plan showing the overall study area for assessment of the flood risk impacts of the Proposed Scheme. (See Chapter 12 of PEIR Volume 1)
Figure 12.2: EA Flood Map for Planning	1 plan showing the Environment Agency designated flood risk zones. (See Sections 12.4.1 to 12.4.6 of PEIR Volume 1)
Figure 17.1: Transport Assessment Study Area	1 plan showing the overall study area for assessment of the transport impact of the Proposed Scheme. (See Chapter 14 of PEIR Volume 1)

Dear Sir or Madam

**Great Yarmouth Third River Crossing
 Formal Consultation under Section 42 of the Planning Act 2008**

I am writing to formally consult you under Section 42 of the Planning Act 2008 on Norfolk County Council's proposals for the Great Yarmouth Third River Crossing.

Why are we consulting?

Norfolk County Council intends to build a new bridge across the River Yare to link the A47 at the Harfrey's Roundabout in the Southtown area of Great Yarmouth to the South Denes area and the enterprise zone on the other side of the river ("the Proposed Scheme").

On 26 February 2018, the Secretary of State for Transport determined that the Proposed Scheme is nationally significant and requires development consent under the Planning Act 2008. As a result, Norfolk County Council intends to make an application for a Development Consent Order (DCO) to progress the Proposed Scheme. If a DCO is made by the Secretary of State, it is anticipated that construction would commence in late 2020. Further information relating to the Proposed Scheme, including the Preliminary Environmental Information Report ('PEIR') that has been compiled for it, is set out below and provided on the memory stick that is enclosed with this letter.

Section 42 Duty to Consult

As part of the process of seeking a DCO, Norfolk County Council is required to carry out pre-application consultation in accordance with Section 42 of the Planning Act 2008. This requires consultation with specified local authorities and prescribed consultees. You are being consulted because Section 42 also requires consultation with those with specified interests in land to which the Proposed Scheme relates, including people who would or might be able to make a "relevant claim"¹ if the DCO were to be made and fully implemented.

Continued.../

¹ This means a claim under section 10 of the Compulsory Purchase Act 1965 (compensation for the taking, or injurious affection, of land subject to compulsory purchase); a claim under Part 1 of the Land Compensation Act 1973 (compensation for depreciation of land value by physical factors caused by use of public works); or (c) a claim under section 152(3) of the Planning Act 2008 (compensation for injurious affection of land by the carrying out of works which would be authorised by the DCO if made)

However, please note that the process of seeking a DCO is at an early stage and the final form and extent of the Proposed Scheme have yet to be resolved. The purpose of this letter and the consultation is therefore to seek your views on the merits of the current Proposed Scheme and its effects.

At present the County Council does not intend to carry out any further rounds of pre-application consultation, and if so **this consultation will be the last opportunity to comment on proposals for the Third River Crossing prior to the application for a DCO being made.**

However, should the application for a DCO be accepted there will be the opportunity for people to register with the Planning Inspectorate (which is the organisation that administers applications for DCOs) and provide a written summary of their views on the application. This will enable them to become an Interested Party and be able to participate in the subsequent statutory examination through which the submitted application for a DCO will be assessed prior to its determination by the relevant Secretary of State.

You should also bear in mind that the Planning Act 2008 regime is intended to provide, so far as practicable, a single forum for assessment and authorisation of a proposed project. A DCO, if granted, removes the need for planning permission, can authorise the compulsory acquisition of land and rights in land, and deal with many other regulatory consents which a project would otherwise need. This emphasises the importance of the present pre-application consultation and its role in shaping the Proposed Scheme.

How to take part in this consultation

Enclosed with this letter is a memory stick containing the following documents:

- (1) **A Consultation Brochure** – This provides an overall summary of the scheme.
- (2) **A Preliminary Environmental Information Report (PEIR)** - For the purposes of this formal pre-application consultation, Preliminary Environmental Information in the form of a Report (PEIR) has been prepared in accordance with Regulation 12 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. The PEIR details the current proposals for the Proposed Scheme and explains the methods and preliminary findings of our assessment of the environmental impacts of the proposals. Its purpose is to enable consultees to develop an informed view of the likely significant effects of the Proposed Scheme. Those views will assist the Council in preparing the statutory Environmental Statement which will accompany the application for a DCO.
- (3) **A Non-Technical Summary of the PEIR** – This has been prepared and forms part of the consultation documents for this consultation.
- (4) **A Non-Technical Note on Transport Modelling** – This has been provided in order to describe the process that has been undertaken to produce the provisional daily traffic flow information contained within the Consultation Brochure.
- (5) **Design Process Summary** – This provides a summary of the how the design of the Proposed Scheme has been developed.
- (6) **Scheme Photo Visualisations** – These show illustrative examples of a bascule bridge with counter weights below bridge deck and knuckles built out into river and a bascule bridge with counter weights above bridge deck and piers in the river, which form the envelope of bridge options described by the PEIR.

- (7) **Questions and Answers** – A list of frequently asked questions about the project and their answers.

If you are unable to view the documents contained on the memory stick then they can be found on Norfolk County Council's website (www.norfolk.gov.uk/3rc). Paper copies are also available to view, between 7 September 2018 and 21 October 2018, at the following locations during opening hours:

- Great Yarmouth Library, Tolhouse Street, Great Yarmouth, NR30 2SH;
- Gorleston Library, Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG;
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW;
- Kings Centre, 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE;
- Great Yarmouth Town Hall, Hall Plain, Great Yarmouth, NR30 2QF;
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ.

Alternatively, paper copies of these documents can be requested from Norfolk County Council between 7 September 2018 and 21 September 2018. Requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Documents will be provided free of charge, except that a charge of £10 will be made for printing the PEIR unless there are extenuating circumstances (which should be explained when requesting the document).

How to find out more

The County Council is holding specific consultation events for Section 42 consultees, which will be staffed to allow people to hold face-to-face discussions with the project team. The dates and venues of these consultation events are provided below.

Venue	Date	Time
Peggotty Road Community Centre Peggotty Road, Great Yarmouth, NR30 3EB	Tuesday 25 September 2018	10:00am to 8:00pm
Kings Centre 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE	Thursday 27 September 2018	10:00am to 8:00pm

How to respond to the consultation

Norfolk County Council is already undertaking a separate general consultation with the local community in accordance with Section 47 of the Planning Act 2008. You may have already received information regarding this consultation, which is taking place between 20 August 2018 and 5 October 2018. The Council has also published notices in the press which invite comments by 5 October.

However, as you have also been identified as having an interest in land in the vicinity of the Proposed Scheme (which entitles you to individual consultation under Section 42 of the Act) and because the enclosed memory stick contains a number of documents that you may want to consider, **the deadline for receipt of your response to the Section 42 consultation described in this letter has been extended to 23:59hrs on Sunday 21 October 2018.**

Any response to this consultation should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH

Responses should include an indication of who is making the response and their correspondence address. Responses will be summarised in a consultation report that will form part of the application documents for the DCO. Please note that responses may be published.

Personal details will be held securely and used solely for purposes in connection with the pre-application consultations, DCO application process, assessment and determination of the application and otherwise in connection with the further development of the scheme. Personal details will not be disclosed to any third parties except where the County Council is required to do so by law (e.g. where required to respond to a formal Freedom of Information Act request)

Next Steps

The Council expects to submit the DCO application for examination by the Secretary of State, via the Planning Inspectorate in Spring 2019.

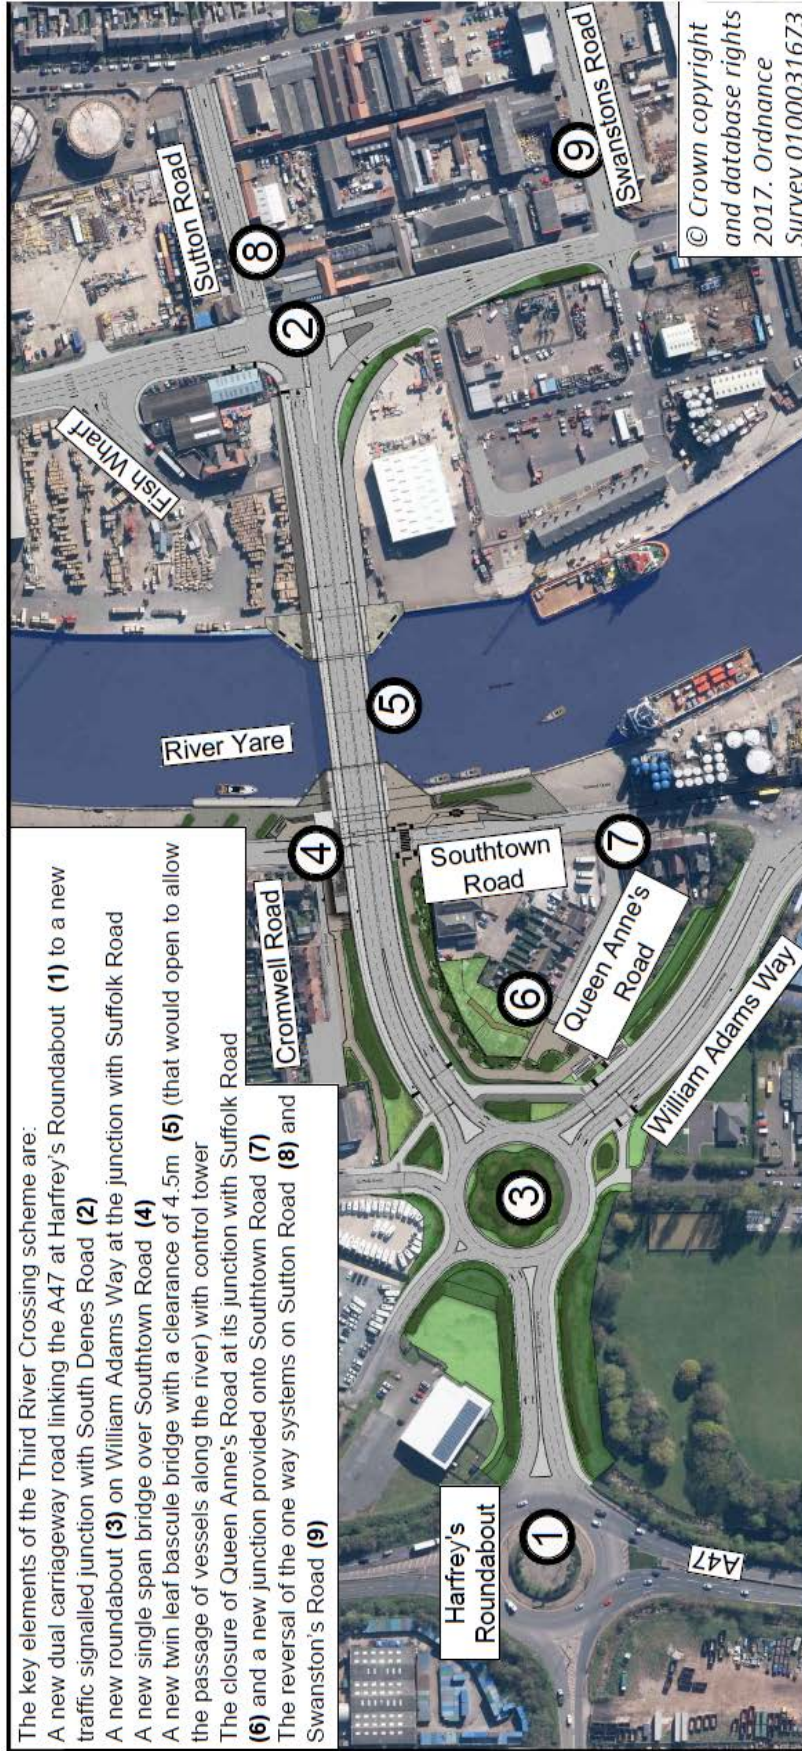

Should you have any queries on the consultation documents or any other elements of the Great Yarmouth Third River Crossing Scheme proposal please do not hesitate to contact me by telephoning 01603 224279 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully

Enclosed

Great Yarmouth Third River Crossing Proposal Summary Plan

Please note the above plan only provides an outline summary of the scheme proposals. The proposals and their impacts are described in more detail in the consultation documents contained on the enclosed memory stick.

If you need this document printed in large print, Braille, alternative format, sound or other language, please email gy3rc-st3consultation@norfolk.gov.uk, contact customer service at 0344 800 8020 or text message at 18001 0344 800 8020 (text phone) and we will try to help you.

Dear Sir or Madam

Great Yarmouth Third River Crossing – extension of consultation period

My letter of 7 September 2018 formally consulted you under Section 42 of the Planning Act 2008 on Norfolk County Council's proposals for the Great Yarmouth Third River Crossing. Enclosed with the letter was a memory stick that contained the consultation documents, including a Preliminary Environmental Information Report (PEIR). Please note that when using the memory stick the documents may appear under the 'CD-ROM (D:)' drive.

During the consultation, we became aware that volume II of the PEIR as published had 21 figures (plans) missing. In response to this, we are extending the consultation deadline to make sure people are aware of the issue and have plenty of time to consider and comment on the figures alongside the published consultation documents.

What is a PEIR?

The PEIR details the current proposals for the proposed scheme and explains the methods and preliminary findings of our assessment of the environmental effects of the proposals. Its purpose is to help consultees develop an informed view of the likely significant environmental effects of the proposals. Those views will help the Council to prepare the statutory Environmental Statement, which will accompany the application for a Development Consent Order (DCO).

Where can I see the figures that were missing?

Enclosed is a copy of all the figures that were missing from the original PEIR document. For practical reasons of postage, we have had to supply these at a small scale (A4 size) but full-size versions are available on request, or you can download pdfs of the documents at www.norfolk.gov.uk/3rcconsultation.

Continued.../

In addition, between 22 October 2018 and 9 December 2018, paper copies of the figures, together with paper copies of all the other consultation documents, can be viewed at the following locations:

- Great Yarmouth Library, Tolhouse Street, Great Yarmouth, NR30 2SH;
- Gorleston Library, Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG;
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW;
- Kings Centre, 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE;
- Great Yarmouth Town Hall, Hall Plain, Great Yarmouth, NR30 2QF;
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ.

Paper copies can be requested between 22 October 2018 and 9 November 2018 – requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Documents will be provided free of charge, except that a charge of £10 will be made for printing the full PEIR unless there is special justification (which should be explained when requesting the document).

The index at the foot of this letter provides a full list of the figures enclosed which were missing from the original published PEIR and are available through the methods above.

New deadline for responses

Due to the publication of these missing figures, and to allow consultees time to consider and respond to them, the new deadline for responses to this consultation is **23:59hrs on Sunday 9 December 2018**. We will welcome responses to any aspects of the consultation, not just the missing figures.

Please note that we do not anticipate that the extension to the consultation period will affect the overall project timescales and we still expect to submit a DCO application for examination by the Secretary of State, via the Planning Inspectorate, in Spring 2019.

More information

If you have any queries about this consultation, the deadline extension, or any other elements of the Great Yarmouth Third River Crossing scheme proposal, please contact us by calling 0344 800 8020 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully,

Enclosed

Great Yarmouth Third River Crossing - Stage 3 (Statutory pre-application) Consultation Preliminary Environmental Information Report (PEIR) Index of Missing Figures

Figure	Description
Figure 8.3: Bat Survey Area	1 plan showing the proposed locations of bat surveys, including internal roost inspections, listening points and activity transects. (See Table 8.3 of PEIR Volume 1)
Figure 8.4: Water Vole Survey Area	1 plan showing the proposed locations for surveys to identify the presence of water voles. (See Table 8.3 of PEIR Volume 1)
Figure 8.5: Bird Survey Area	1 plan showing the proposed locations for surveys to identify the presence and species of birds. (See Table 8.3 of PEIR Volume 1)
Figure 8.6: Statutory Designated Sites	1 plan showing the locations of Statutory designated conservation sites such as Sites of Special Scientific Interest. (See Section 8.4.3 to 8.4.4 of PEIR Volume 1)
Figures 9.1 and 9.1a: Designated Heritage Assets	2 plans showing the locations of designated cultural heritage features (e.g. Conservation Areas, Listed Buildings and Scheduled Monuments) within a 1km study area of the Proposed Scheme. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 9.2: Non-Designated Heritage Assets	1 plan showing the locations of non-designated cultural heritage features within 500m of the Proposed Scheme (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1). Non-designated cultural heritage assets include features identified as having a degree of significance, meriting consideration in planning decisions but which are not formally designated.
Figure 9.3a to 9.3f: Heritage Assets (Designated and Non-Designated): Proposed VMS Locations	6 plans showing the locations of both designated and non-designated cultural heritage features within 250m of the proposed electronic variable message traffic signs. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 9.3g: Heritage Assets (Designated): Proposed Large Vessel Waiting Facility	1 plan showing the locations of both designated and non-designated cultural heritage features within 250m of the proposed large vessel waiting facility. (See Sections 9.1.1 to 9.1.4 of PEIR Volume 1)
Figure 10.1: Proposed Viewpoint Locations	1 plan showing the locations used for assessment of the visual impact of the Proposed Scheme. (See Sections 10.3.34 to 10.3.36 of PEIR Volume 1)

Dear Sir or Madam

**Great Yarmouth Third River Crossing
Formal Consultation under Section 42 of the Planning Act 2008**

Between 7 September 2018 and 22 October 2018 Norfolk County Council has been consulting on its proposals for the Great Yarmouth Third River Crossing under Section 42 of the Planning Act 2008. During this time further information has become available to us, which indicates that you may have an interest in land near the site of this scheme. As a result I am writing to formally consult you on the proposals under Section 42 of the Planning Act 2008.

Why are we consulting?

Norfolk County Council intends to build a new bridge across the River Yare to link the A47 at the Harfrey's Roundabout in the Southtown area of Great Yarmouth to the South Denes area and the enterprise zone on the other side of the river ("the Proposed Scheme").

On 26 February 2018, the Secretary of State for Transport determined that the Proposed Scheme is nationally significant and requires development consent under the Planning Act 2008. As a result, Norfolk County Council intends to make an application for a Development Consent Order (DCO) to progress the Proposed Scheme. If a DCO is made by the Secretary of State, it is anticipated that construction would commence in late 2020. Further information relating to the Proposed Scheme, including the Preliminary Environmental Information Report ('PEIR') that has been compiled for it, is set out below and provided on the memory stick enclosed with this letter.

Section 42 Duty to Consult

As part of the process of seeking a DCO, Norfolk County Council is required to carry out pre-application consultation in accordance with Section 42 of the Planning Act 2008. This requires consultation with specified local authorities and prescribed consultees.

Continued.../

You are being consulted because Section 42 also requires consultation with those with specified interests in land to which the Proposed Scheme relates, including people who would or might be able to make a “relevant claim”¹ if the DCO were to be made and fully implemented.

However, please note that the process of seeking a DCO is at an early stage and the final form and extent of the Proposed Scheme are yet to be resolved. The purpose of this letter and the consultation is therefore to seek your views on the merits of the current Proposed Scheme and its effects.

Currently the County Council does not intend to carry out any further rounds of pre-application consultation, in which case **this consultation will be the last opportunity to comment on proposals for the Third River Crossing prior to the application for a DCO being made.**

However, should the application for a DCO be accepted there will be the opportunity for people to register with the Planning Inspectorate (which is the organisation that administers the applications for DCOs) and provide a written summary of their views on the application. This will enable them to become an Interested Party and be able to participate in the subsequent statutory examination through which the submitted application for a DCO will be assessed prior to its determination by the relevant Secretary of State.

You should also bear in mind that the Planning Act 2008 regime is intended to provide, so far as practicable, a single forum for assessment and authorisation of a proposed project. A DCO, if granted, removes the need for planning permission, can authorise the compulsory acquisition of land and rights in land, and deal with many other regulatory consents which a project would otherwise need. This emphasises the importance of the present pre-application consultation and its role in shaping the Proposed Scheme.

How to take part in this consultation

Enclosed with this letter is a memory stick (when using the memory stick the documents may appear under the ‘CD-ROM (D:)’ drive) containing the following documents:

- (1) **A Consultation Brochure** – This provides an overall summary of the scheme.
- (2) **A Preliminary Environmental Information Report (PEIR)** - For the purposes of this formal pre-application consultation, Preliminary Environmental Information in the form of a Report (PEIR) has been prepared in accordance with Regulation 12 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. The PEIR details the current proposals for the Proposed Scheme and explains the methods and preliminary findings of our assessment of the environmental impacts of the proposals. Its purpose is to enable consultees to develop an informed view of the likely significant effects of the Proposed Scheme. Those views will assist the Council in preparing the statutory Environmental Statement which will accompany the application for a DCO.
- (3) **A Non-Technical Summary of the PEIR** – This has been prepared and forms part of the consultation documents for this consultation.

¹ This means a claim under section 10 of the Compulsory Purchase Act 1965 (compensation for the taking, or injurious affection, of land subject to compulsory purchase); a claim under Part 1 of the Land Compensation Act 1973 (compensation for depreciation of land value by physical factors caused by use of public works); or (c) a claim under section 152(3) of the Planning Act 2008 (compensation for injurious affection of land by the carrying out of works which would be authorised by the DCO if made)

- (4) **A Non-Technical Note on Transport Modelling** – This has been provided in order to describe the process that has been undertaken to produce the provisional daily traffic flow information contained within the Consultation Brochure.
- (5) **Design Process Summary** – This provides a summary of the how the design of the Proposed Scheme has been developed.
- (6) **Scheme Photo Visualisations** – These show illustrative examples of a bascule bridge with counter weights below bridge deck and knuckles built out into river and a bascule bridge with counter weights above bridge deck and piers in the river, which form the envelope of bridge options described by the PEIR.
- (7) **Questions and Answers** – A list of frequently asked questions about the project and their answers.

Please note that Volume II of the PEIR, as provided on the memory stick, omits a number of the figures. As a result, and to ensure that all consultees have a full copy of the consultation documents, these figures are attached to this letter as paper copies. For practical reasons of postage, we have had to supply these at a small scale (A4 size) but details of how you can view the full size versions are provided within this letter.

If you are unable to view the documents contained on the memory stick then they can be found on Norfolk County Council's website (www.norfolk.gov.uk/3rcconsultation). Paper copies are also available to view, between 22 October 2018 and 9 December 2018, at the following locations during opening hours:

- Great Yarmouth Library, Tolhouse Street, Great Yarmouth, NR30 2SH;
- Gorleston Library, Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG;
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW;
- Kings Centre, 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE;
- Great Yarmouth Town Hall, Hall Plain, Great Yarmouth, NR30 2QF;
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ.

Alternatively, paper copies of these documents can be requested from Norfolk County Council between 22 October 2018 and 9 November 2018. Requests should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH
- **Telephoning:** 0344 800 8020

Documents will be provided free of charge, except that a charge of £10 will be made for printing the PEIR unless there are extenuating circumstances (which should be explained when requesting the document).

How to respond to the consultation

Norfolk County Council is already undertaking a separate general consultation with the local community in accordance with Section 47 of the Planning Act 2008. You may have already received information regarding this consultation.

However, as you have also been identified as having an interest in land in the vicinity of the Proposed Scheme (which entitles you to individual consultation under Section 42 of the Act) **the deadline for receipt of your response to the Section 42 consultation described in this letter has been extended to 23:59hrs on Sunday 9 December 2018.**

Any response to this consultation should be made by:

- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH

Responses should include an indication of who is making the response and their correspondence address. Responses will be summarised in a consultation report that will form part of the application documents for the DCO. Please note that responses may be published.

Personal details will be held securely and used solely for purposes in connection with the pre-application consultations, DCO application process, assessment and determination of the application and otherwise in connection with the further development of the scheme. Personal details will not be disclosed to any third parties except where the County Council is required to do so by law (e.g. where required to respond to a formal Freedom of Information Act request).

Next Steps

The Council expects to submit the DCO application for examination by the Secretary of State, via the Planning Inspectorate in Spring 2019.

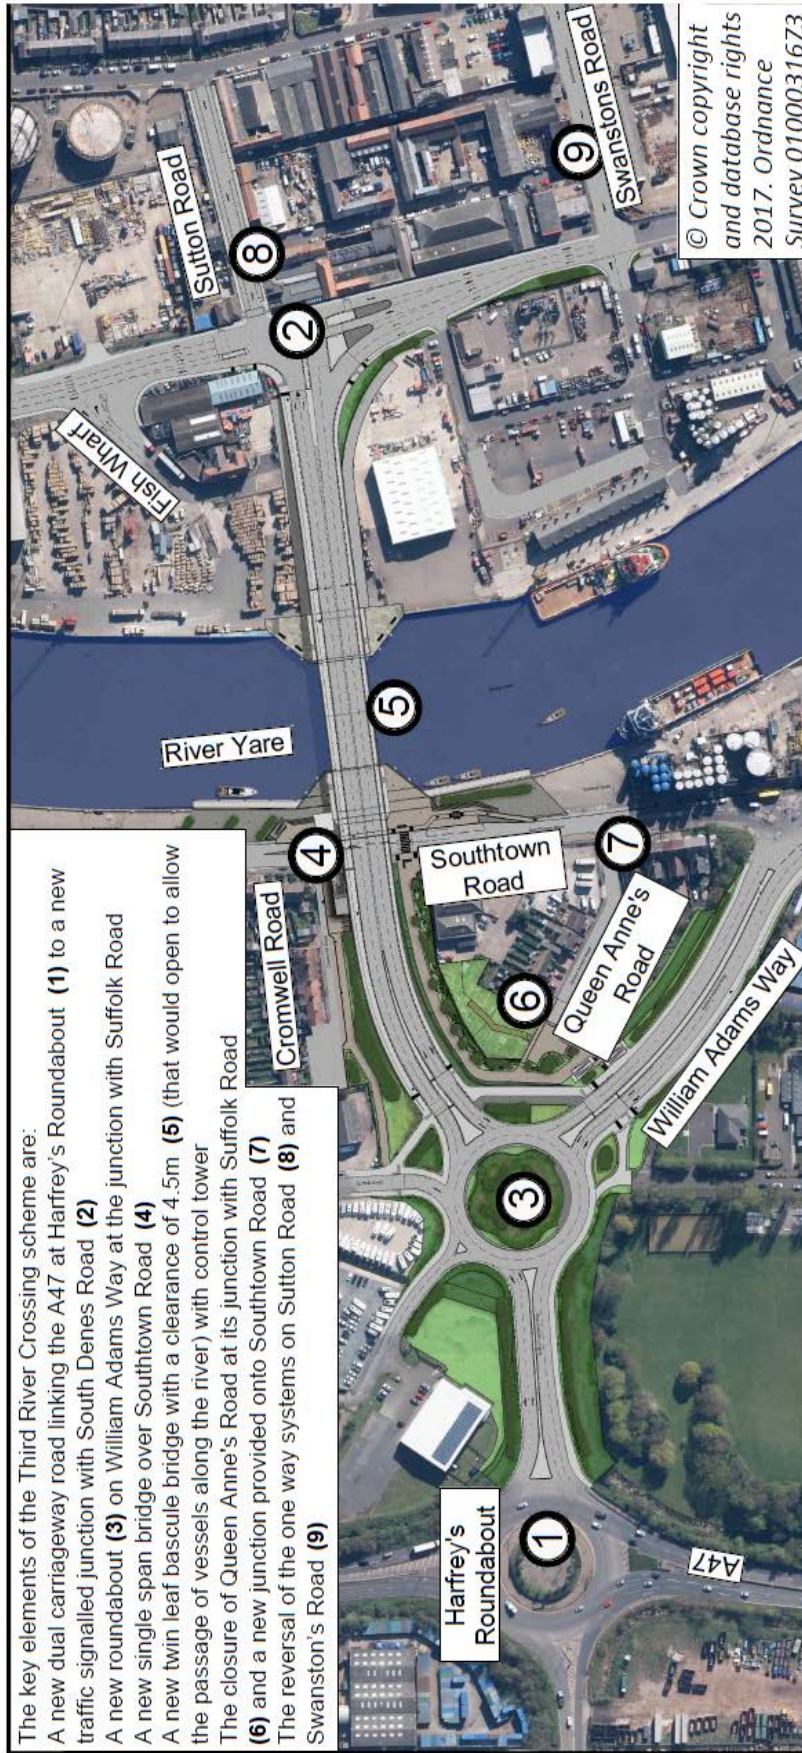

If you have any queries on the consultation documents or any other elements of the Great Yarmouth Third River Crossing Scheme proposal please do not hesitate to contact me by telephoning 0344 800 8020 or emailing gy3rc-st3consultation@norfolk.gov.uk.

Yours faithfully

Enclosed

Appendix P-1 – Section 42(1)(d) Site Notice Example

Important notice for the owners and any occupiers
Great Yarmouth Third River Crossing
Statutory Consultation on a Proposed Application for Development Consent

To: «Land_Description» (Plot Ref: «Reference_Number»)

Notice is hereby given that Norfolk County Council ("The Applicant") of County Hall, Martineau Lane, Norwich NR1 2DH proposes to apply to the Planning Inspectorate under Section 37 of the Planning Act 2008 ("The 2008 Act") for the above-mentioned Development Consent Order ("The Proposed Application"). The proposed DCO will authorise:

- A new dual carriageway road across the River Yare in Great Yarmouth, linking the A47 at Harfrey's Roundabout on the western side to the A1243 South Denes Road on the eastern side;
- A double leaf bascule bridge providing an opening span for vessel movement. This includes structures to support and accommodate operational requirements of the opening mechanism, including counterweights either at, above or below the bridge deck;
- New substructures to support the double leaf bascule bridge within the existing quays either side of the river and within the river itself, potentially requiring new temporary or permanent "knuckle" walls or cofferdams in the waterway to accommodate their construction;
- A new five-arm roundabout connecting the new crossing with Suffolk Road, William Adams Way and the western end of Queen Anne's Road;
- A single span bridge over Southtown Road, with either reinforced earth embankments or embankments retained by reinforced earth walls, or a combination of these, joining that bridge to the new roundabout at William Adams Way;
- The closure of Queen Anne's Road at its junction with Suffolk Road, and the opening of a new priority junction onto Southtown Road providing access to the Queen Anne's Road residential area;
- Revised access arrangements for existing businesses onto the local highway network including, potentially, a new structure to allow vehicular access under the proposed crossing on the eastern bank subject to agreement with affected businesses and landowner;
- Dedicated provision for cyclists and pedestrians which tie into existing networks;
- A control tower structure located in proximity to the crossing on the western side of the river. The control tower will facilitate the 24/7 operation of the opening span of the new double leaf bascule bridge;
- The demolition of an existing pedestrian bridge on William Adams Way;
- Associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling. This could include improvements within the existing highway boundary to some existing junctions within the red line boundary, in addition to amended parking arrangements;
- Additional signage to assist the movement of traffic in response to network conditions and the openings / closings of the double leaf bascule bridge;
- The relocation of existing allotments to compensate for an area to be lost as a result of the proposed scheme;
- New public realm, landscape, ecology and sustainable drainage improvements;
- Provision of small vessel waiting facilities to the north and south of the crossing, either as floating pontoons or additional fendering to the existing berths, including any dredging and quay strengthening works that may be required;
- Provision of a large vessel waiting facility, if deemed necessary following risk assessment, at a remote location south of the crossing, including any dredging, quay strengthening, fendering and mooring alterations required;
- Provision of drainage infrastructure, lighting and landscaping.

Norfolk County Council is undertaking a statutory consultation on the Proposed Application in accordance with the requirements of the 2008 Act. The consultation runs from the 7 September 2018 to the 21 October 2018.

The Development Consent Order (DCO)

The Secretary of State has directed that the Project and associated matters be treated as a Project of national significance for the purposes of the 2008 Act requiring a DCO to construct, operate and maintain the Project. The DCO would also contain other powers that are necessary for the Project, including powers to compulsorily acquire land required, to override easements and other rights in connection with land and to use land temporarily.

Norfolk County Council intends to make the application for the DCO in Spring 2019. Once the application is made, the Planning Inspectorate will process and examine the application in line with the prescribed timescales before making a recommendation to the Secretary of State for Transport, who will then decide whether or not the DCO should be made.

The Consultation

Before the application for a DCO can be submitted for examination by the Planning Inspectorate, Norfolk County Council must consult with a variety of persons and bodies about the Proposed Application in accordance with the requirements of the 2008 Act. This includes land that may be affected by the Project.

Norfolk County Council have been unable to identify all rights in and ownership of the land and subsoil of the land shown on the attached plan. Pursuant to Section 42 of the Planning Act 2008 we are seeking to consult people who may have an interest in this land, including owners, tenants, lessees or occupiers of the land or persons with the power to sell, convey or release the land, or people who could have a claim for compensation as a result of the Great Yarmouth Third River Crossing going ahead.

Important notice for the owners and any occupiers
Great Yarmouth Third River Crossing
Statutory Consultation on a Proposed Application for Development Consent

This notice is therefore intended to inform anyone who may have a relevant interest (under section 42 of the Planning Act 2008) in the land as set out above of the consultation to seek their views. **If you believe you have a relevant interest then we should be grateful if you would contact Norfolk County Council by.**

- **Telephoning:** 0344 800 8020, or **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH

EIA Development

Due to its nature and size, the Project is an EIA Development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Norfolk County Council is therefore carrying out an Environmental Impact Assessment (EIA) to identify the likely significant effects of the Project.

Consultation Documents

Information on the Project and consultation documents can be inspected free of charge during the consultation period between 7 September 2018 to the 21 October 2018 on the Project website (www.norfolk.gov.uk) and at the locations below during usual opening hours:

- Great Yarmouth Library – Tolhouse Street, Great Yarmouth, NR30 2SH
- Gorleston Library – Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW
- Kings Centre – 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE
- Great Yarmouth Town Hall – Hall Plain, Great Yarmouth, NR30 2QF*
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ

* Please note: Great Yarmouth Town Hall closes at 3pm on the first Thursday of each month.

Information about the project will be on display at the exhibitions detailed below or you can come to speak to staff and respond to the consultation in person at the four consultation events.

Venue	Exhibition Dates	Consultation Event
Peggotty Road Community Centre -Peggotty Road, Great Yarmouth, NR30 3EB	Tuesday 25 September 2018	10:00am to 8:00pm
Kings Centre - 30 Queen Annes Road, Southtown, Great Yarmouth, NR31 0LE	Thursday 27 September 2018	10:00am to 8:00pm

Make Your Comments

The statutory consultation starts on Friday 7th September 2018. The deadline for the receipt of responses to the consultation is 23:59hrs on Sunday 21st October 2018.

Norfolk County Council welcomes feedback on any aspects of the Proposed Application, the Project or the PEIR and Consultation Documents. You can make comments in the following ways:

- **Completing the Questionnaire:** online on the project website (www.norfolk.gov.uk/3rc)
- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH

Norfolk County Council will use the consultation responses in connection with the consultation, the Proposed Application and the Project. Responses may be made publicly available but personal details, if provided will be kept confidential.

- Provision of small vessel waiting facilities to the north and south of the crossing, either as floating pontoons or additional fendering to the existing berths, including any dredging and quay strengthening works that may be required;
- Provision of a large vessel waiting facility, if deemed necessary following risk assessment, at a remote location south of the crossing, including any dredging, quay strengthening, fendering and mooring alterations required;
- Provision of drainage infrastructure, lighting and landscaping.

Norfolk County Council is undertaking a statutory consultation on the Proposed Application in accordance with the requirements of the 2008 Act. The extended consultation now runs from the 7 September 2018 to the 9 December 2018.

The Development Consent Order (DCO)

The Secretary of State has directed that the Project and associated matters be treated as a Project of national significance for the purposes of the 2008 Act requiring a DCO to construct, operate and maintain the Project. The DCO would also contain other powers that are necessary for the Project, including powers to compulsorily acquire land required, to override easements and other rights in connection with land and to use land temporarily.

Norfolk County Council intends to make the application for the DCO in Spring 2019. Once the application is made, the Planning Inspectorate will process and examine the application in line with the prescribed timescales before making a recommendation to the Secretary of State for Transport, who will then decide whether or not the DCO should be made.

The Consultation

Before the application for a DCO can be submitted for examination by the Planning Inspectorate, Norfolk County Council must consult with a variety of persons and bodies about the Proposed Application in accordance with the requirements of the 2008 Act. This includes land that may be affected by the Project.

Important notice for the owners and any occupiers Great Yarmouth Third River Crossing Extended Consultation due to missing PEIR figures

Norfolk County Council have been unable to identify all rights in and ownership of the land and subsoil of the land shown on the attached plan. Pursuant to Section 42 of the Planning Act 2008 we are seeking to consult people who may have an interest in this land, including owners, tenants, lessees or occupiers of the land or persons with the power to sell, convey or release the land, or people who could have a claim for compensation as a result of the Great Yarmouth Third River Crossing going ahead.

This notice is therefore intended to inform anyone who may have a relevant interest (under section 42 of the Planning Act 2008) in the land as set out above of the consultation to seek their views. **If you believe you have a relevant interest then we should be grateful if you would contact Norfolk County Council by.**

- **Telephoning:** 0344 800 8020, or **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH

EIA Development

Due to its nature and size, the Project is an EIA Development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Norfolk County Council is therefore carrying out an Environmental Impact Assessment (EIA) to identify the likely significant effects of the Project.

Consultation Documents

Information on the Project and consultation documents can be inspected free of charge during the extended consultation period between 7 September 2018 to the 9 December 2018 on the Project website (www.norfolk.gov.uk) and at the locations below during usual opening hours:

- Great Yarmouth Library – Tolhouse Street, Great Yarmouth, NR30 2SH
- Gorleston Library – Lowestoft Road, Gorleston-on-Sea, Great Yarmouth, NR31 6SG
- Priory Centre, Priory Plain, Great Yarmouth, NR30 1NW
- Kings Centre – 30 Queen Anne's Road, Southtown, Great Yarmouth, NR31 0LE
- Great Yarmouth Town Hall – Hall Plain, Great Yarmouth, NR30 2QF*
- The Archive Centre, County Hall, Martineau Lane, Norwich, NR1 2DQ

* Please note: Great Yarmouth Town Hall closes at 3pm on the first Thursday of each month.

The statutory consultation starts on 7th September. The deadline for the receipt of responses to the extended consultation is now 23:59hrs on Sunday 9th December 2018.

Norfolk County Council welcomes feedback on any aspects of the Proposed Application, the Project or the PEIR and Consultation Documents. You can make comments in the following ways:

- **Completing the Questionnaire:** online on the project website (www.norfolk.gov.uk/3rc)
- **Emailing:** gy3rc-st3consultation@norfolk.gov.uk
- **Writing to:** Freepost Plus RTCL-XSTT-JZSK, Norfolk County Council, GY3RC, Ground floor - south wing, County Hall, Martineau Lane, Norwich NR1 2DH

Norfolk County Council will use the consultation responses in connection with the consultation, the Proposed Application and the Project. Responses may be made publicly available but personal details, if provided will be kept confidential.
