

Congratulations!

You are now a

"Master Treasure Hunter and protector of the Gaywood Valley"

Eli awards this certificate to

"I have great pleasure in making you a Master Treasure Hunter and protector of the Gaywood Valley.

I hope you have had fun exploring the Gaywood Valley; finding the treasures and learning more about this fantastic place. Collecting at least 500 points means you have completed all four walks and seen different parts of the valley. By now, you will see why it is so precious.

I hope you will continue to enjoy the Gaywood Valley and will venture out on the walks again to find things you haven't seen yet... they are out there!"

Eli. X
