# WHAT IS VETERANS' GATEWAY?

Veterans' Gateway is for any ex-service personnel and their families looking for advice or support – whatever they're dealing with.

We provide the first point of contact to a network of military and non-military partner organisations to help you find exactly what you need, when you need it - whether you're in the UK or overseas.

We cover seven key areas:

- Housing
- Employment
- Finances
- Living independently
- Mental wellbeing
- Physical health
- Family and communities

**“After I had done my duty and served my country I was disappointed that there was no duty to provide the support services I needed. Veterans' Gateway will make it easier for veterans to find the support they need.”**

Gareth Jones, 49
