## Transport for Norwich at your service

Notice is hereby given that Norfolk County Council of County Hall, Martineau Lane, Norwich NR1 2DH proposes to apply to the Planning Inspectorate under the Planning Act 2008 for a development consent order to authorise the construction of the Norwich Northern Distributor Road, including the Postwick Hub Junction (NDR).

Norfolk County Council has a duty to consult the local community under Section 47 of the Planning Act 2008 and has produced a Statement of Community Consultation (SOCC) for this purpose. This notice outlines when and where the SOCC can be inspected.

The proposed NDR comprises a 20km primarily dual carriageway road around north Norwich linking the A1067 Fakenham Road near Attlebridge to the A47 at Postwick. It includes roundabout junctions with the main radial routes running into and out of Norwich on the north and east side of the city and grade-separated junctions (i.e. involving a bridge over the carriageway and slip roads) with the A140 Cromer Road and the A47 at Postwick. Facilities for pedestrians, cyclists and horse riders are proposed, including new bridleways adjacent to the NDR and facilities within new bridges over the NDR. The NDR will require the closure of a number of existing roads. All these aspects will be explained in more detail in a public consultation beginning on the 8 July 2013.

The SOCC may be viewed, free of charge from 24 June, at the locations detailed in this notice or on Norfolk County Council's website - [www.norfolk.gov.uk/tfn](http://www.norfolk.gov.uk/tfn). Requests for a copy of the SOCC should be made by:

- writing to Norwich Northern Distributor Road, Norfolk County Council, Martineau Lane, Norwich, NR1 2DH

**Section 47(6)(a) Planning Act 2008**

**The Norwich Northern Distributor Road Development Consent Order**

**Notice Publicising the Statement of Community Consultation**

Notice is hereby given that Norfolk County Council of County Hall, Martineau Lane, Norwich NR1 2DH proposes to apply to the Planning Inspectorate under the Planning Act 2008 for a development consent order to authorise the construction of the Norwich Northern Distributor Road, including the Postwick Hub Junction (NDR).

Norfolk County Council has a duty to consult the local community under Section 47 of the Planning Act 2008 and has produced a Statement of Community Consultation (SOCC) for this purpose. This notice outlines when and where the SOCC can be inspected.

The proposed NDR comprises a 20km primarily dual carriageway road around north Norwich linking the A1067 Fakenham Road near Attlebridge to the A47 at Postwick. It includes roundabout junctions with the main radial routes running into and out of Norwich on the north and east side of the city and grade-separated junctions (i.e. involving a bridge over the carriageway and slip roads) with the A140 Cromer Road and the A47 at Postwick. Facilities for pedestrians, cyclists and horse riders are proposed, including new bridleways adjacent to the NDR and facilities within new bridges over the NDR. The NDR will require the closure of a number of existing roads. All these aspects will be explained in more detail in a public consultation beginning on the 8 July 2013.

The SOCC may be viewed, free of charge from 24 June, at the locations detailed in this notice or on Norfolk County Council's website - [www.norfolk.gov.uk/tfn](#). Requests for a copy of the SOCC should be made by:

Notice is hereby given that Norfolk County Council of County Hall, Martineau Lane, Norwich NR1 2DH ("the Applicant") proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned DCO ("the Proposed Application").

The proposed DCO will authorise:

- The construction of a primarily dual carriageway road, approximately 20.4km in length, from the A1067 Fakenham Road near Attlebridge to the A47 Trunk Road at Postwick.
- Construction of new roundabout junctions with the A1067 Fakenham Road, C262 Fir Covert Road, C261 Reepham Road, C282 Drayton Lane, B1150 North Walsham Road, A1151 Wroxham Road, C283 Salhouse Road, C874 Plumstead Road and the Broadland Gate Development Link Road together with a new roundabout junction on the NDR north of Norwich Airport.
- Construction of a grade separated junction with the A140 Cromer Road - i.e. involving a new bridge on the A140 Cromer Road linking roundabouts either side of the NDR and slip roads onto/off the NDR.
- Major reconfiguration of the existing junction with the A47 at Postwick, including stopping up of existing slip roads, provision of new slip roads and a new bridge over the A47.
- Construction of new bridges over the NDR, at the Marriotts Way Permissive Path, Bell Farm Track (Horsford Restricted Byway No 5), A140 Cromer Road, C246 Buxton Road, Newman Road (private means of access) and C442 Middle Road.
- Construction of bridges carrying the NDR over the Norwich to Sheringham railway line, C874 Plumstead Road and the A47 at Postwick.

- Such ancillary, incidental, and consequential provisions, permits or consents as are appropriate.

As well as seeking views on the detailed proposals for the NDR (e.g. alignment, junctions, design details and mitigation measures), the Applicant also seeks views on the principle of, and need for, the NDR, including potential alternatives, and the impacts of the NDR. The NDR is a development that requires Environmental Impact Assessment (EIA), the results of which will be reported in an Environmental Statement (ES) that will form part of the Proposed Application.

The documents, plans and maps showing the nature and location of the NDR, including preliminary environmental information, can be inspected free of charge between 15 July 2013 and 20 September 2013 at the locations below. Notice is hereby given that Norfolk County Council of County Hall, Martineau Lane, Norwich NR1 2DH ("the Applicant") proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned DCO ("the Proposed Application").

The proposed DCO will authorise:

- The construction of a primarily dual carriageway road, approximately 20.4km in length, from the A1067 Fakenham Road near Attlebridge to the A47 Trunk Road at Postwick.

- Construction of a grade separated junction with the A140 Cromer Road – i.e. involving a new bridge on the A140 Cromer Road linking roundabouts either side of the NDR and slip roads onto/off the NDR.
- Major reconfiguration of the existing junction with the A47 at Postwick, including stopping up of existing slips roads, provision of new slip roads and a new bridge over the A47.
- Construction of new bridges over the NDR, at the Marriotts Way Permissive Path, Bell Farm Track (Horsford Restricted Byway No 5), A140 Cromer Road, C246 Buxton Road, Newman Road (private means of access) and C442 Middle Road.

- Such ancillary, incidental, and consequential provisions, permits or consents as are appropriate.

As well as seeking views on the detailed proposals for the NDR (e.g. alignment, junctions, design details and mitigation measures), the Applicant also seeks views on the principle of, and need for, the NDR, including potential alternatives, and the impacts of the NDR. The NDR is a development that requires Environmental Impact Assessment (EIA), the results of which will be reported in an Environmental Statement (ES) that will form part of the Proposed Application.

The documents, plans and maps showing the nature and location of the NDR, including preliminary environmental information, can be inspected free of charge between 15 July 2013 and 20 September 2013 at the locations below. Notice is hereby given that Norfolk County Council of County Hall, Martineau Lane, Norwich NR1 2DH ("the Applicant") proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned DCO ("the Proposed Application").

The proposed DCO will authorise:

- The construction of a primarily dual carriageway road, approximately 20.4km in length, from the A1067 Fakenham Road near Attlebridge to the A47 Trunk Road at Postwick.
- Construction of new roundabout junctions with the A1067 Fakenham Road, C262 Fir Covert Road, C261 Reephams Road, C282 Drayton Lane, B1150 North Walsham Road, A1151 Wroxham Road, C283 Salhouse Road, C874 Plumstead Road and the Broadland Gate Development Link Road together with a new roundabout junction on the NDR north of Norwich Airport.
- Construction of a grade separated junction with the A140 Cromer Road - i.e. involving a new bridge on the A140 Cromer Road linking roundabouts either side of the NDR and slip roads onto/off the NDR.
- Major reconfiguration of the existing junction with the A47 at Postwick, including stopping up of existing slip roads, provision of new slip roads and a new bridge over the A47.
- Construction of new bridges over the NDR, at the Marriotts Way Permissive Path, Bell Farm Track (Horsford Restricted Byway No 5), A140 Cromer Road, C246 Buxton Road, Newman Road (private means of access) and C442 Middle Road.
- Construction of bridges carrying the NDR over the Norwich to Sheringham railway line, C874 Plumstead Road and the A47 at Postwick.
- Construction of new culverts across the NDR including a combined culvert/bat tunnel beneath the NDR near Rackheath.
- Construction of new highways linking the NDR with the existing highway network, including new roundabout junctions with the B1149 Holt Road, C874 Plumstead Road and on the Broadland Gate Development Link Road.
- Provision of new drainage works in connection with the above highway works.
- Stopping up of private means of access and the creation of new private means of access to premises and farm land in the vicinity of the route.
- Stopping up/diversion of existing footpaths, bridleways and restricted byways and the provision of new bridleways, cycle tracks and shared use footway/cycleways.
- The compulsory acquisition of land and rights.
- Improvements to the existing highway at the B1150 North Walsham Road/C249 Crostwick Lane/C249 Rackheath Lane junction, the A1151 Wroxham Road/C258 Green Lane West junction and the C874 Plumstead Road through Thorpe End.
- The alteration, diversion and stopping up of lengths of existing highway and the making or amendment of Traffic Regulation Orders
- Such ancillary, incidental, and consequential provisions, permits or consents as are appropriate.

As well as seeking views on the detailed proposals for the NDR (e.g. alignment, junctions, design details and mitigation measures), the Applicant also seeks views on the principle of, and need for, the NDR, including potential alternatives, and the impacts of the NDR. The NDR is a development that requires Environmental Impact Assessment (EIA), the results of which will be reported in an Environmental Statement (ES) that will form part of the Proposed Application.

The documents, plans and maps showing the nature and location of the NDR, including preliminary environmental information, can be inspected free of charge between 15 July 2013 and 20 September 2013 at the locations below. These documents can also be viewed free of charge on Norfolk County Council's website: - [www.norfolk.gov.uk/tfn](http://www.norfolk.gov.uk/tfn). The proposed NDR comprises a 20km primarily dual carriageway road around north Norwich linking the A1067 Fakenham Road near Attlebridge to the A47 at Postwick. It includes roundabout junctions with the main radial routes running into and out of Norwich on the north and east side of the city and grade-separated junctions (i.e. involving a bridge over the carriageway and slip roads) with the A140 Cromer Road and the A47 at Postwick. Facilities for pedestrians, cyclists and horse riders are proposed, including new bridleways adjacent to the NDR and facilities within new bridges over the NDR. The NDR will require the closure of a number of existing roads. The NDR is a Nationally Significant Infrastructure Project (NSIP) for which a Development Consent Order (DCO) is necessary under the Planning Act 2008. It requires Environmental Impact Assessment (EIA), the results of which will be reported in an Environmental Statement (ES) that will accompany the application for development consent.

Preliminary environmental information will be available as part of pre-application consultations and this notice outlines when and where the Preliminary Environmental Information Report (PEIR) can be inspected.

The PEIR may be viewed, free of charge from 15 July 2013, at the locations detailed in this notice or on Norfolk County Council's website - www.norfolk.gov.uk/tfn. Hard copies can also be requested (free of charge) from NCC. Requests for a copy of the PEIR should be made by:

### The Norwich Northern Distributor Road Development Consent Order Notice Publicising the Preliminary Environmental Information Report

Notice is hereby given that Norfolk County Council of County Hall, Martineau Lane, Norwich NR1 2DH has produced a Preliminary Environmental Information Report (PEIR) for Norwich Northern Distributor Road, including the Postwick Hub Junction (NDR).

The proposed NDR comprises a 20km primarily dual carriageway road around north Norwich linking the A1067 Fakenham Road near Attlebridge to the A47 at Postwick. It includes roundabout junctions with the main radial routes running into and out of Norwich on the north and east side of the city and grade-separated junctions (i.e. involving a bridge over the carriageway and slip roads) with the A140 Cromer Road and the A47 at Postwick. Facilities for pedestrians, cyclists and horse riders are proposed, including new bridleways adjacent to the NDR and facilities within new bridges over the NDR. The NDR will require the closure of a number of existing roads. The NDR is a Nationally Significant Infrastructure Project (NSIP) for which a Development Consent Order (DCO) is necessary under the Planning Act 2008. It requires Environmental Impact Assessment (EIA), the results of which will be reported in an Environmental Statement (ES) that will accompany the application for development consent. Preliminary environmental information will be available as part of pre-application consultations and this notice outlines when and where the Preliminary Environmental Information Report (PEIR) can be inspected.

The PEIR may be viewed, free of charge from 15 July 2013, at the locations detailed in this notice or on Norfolk County Council's website - [www.norfolk.gov.uk/tfn](http://www.norfolk.gov.uk/tfn). Hard copies can also be requested (free of charge) from NCC. Requests for a copy of the PEIR should be made by:

## PUBLIC NOTICES

## The Norwich Northern Distributor Road Development Consent Order Notice Publicising the Preliminary Environmental Information Report

 **Norfolk** County Council  
at your service

Notice is hereby given that Norfolk County Council of County Hall, Martineau Lane, Norwich NR1 2DH has produced a Preliminary Environmental Information Report (PEIR) for Norwich Northern Distributor Road, including the Postwick Hub Junction (NDR).

The proposed NDR comprises a 20km primarily dual carriageway road around north Norwich linking the A1067 Fakenham Road near Attlebridge to the A47 at Postwick. It includes roundabout junctions with the main radial routes running into and out of Norwich on the north and east side of the city and grade-separated junctions (i.e. involving a bridge over the carriageway and slip roads) with the A140 Cromer Road and the A47 at Postwick. Facilities for pedestrians, cyclists and horse riders are proposed, including new bridleways adjacent to the NDR and facilities within new bridges over the NDR. The NDR will require the closure of a number of existing roads. The NDR is a Nationally Significant Infrastructure Project (NSIP) for which a Development Consent Order (DCO) is necessary under the Planning Act 2008. It requires Environmental Impact Assessment (EIA), the results of which will be reported in an Environmental Statement (ES) that will accompany the application for development consent.

Preliminary environmental information will be available as part of pre-application consultations and this notice outlines when and where the Preliminary Environmental Information Report (PEIR) can be inspected.

The PEIR may be viewed, free of charge from 15 July 2013, at the locations detailed in this notice or on Norfolk County Council's website - [www.norfolk.gov.uk/tfn](http://www.norfolk.gov.uk/tfn). Hard copies can also be requested (free of charge) from NCC. Requests for a copy of the PEIR should be made by:
