Responsibilities of the Travel Concession Authority

2. The Scheme is established and administered under the provisions laid down in the relevant parts of the 1985 Act. Notwithstanding this the Scheme shall also be administered to fulfil the requirements of and in accordance with the 2000 Act, the 2007 Act and EC Regulation 1370/2007.
3. The Travel Concession Authority shall manage and operate the Scheme in accordance with the requirements of the Acts and/or other relevant legislation.
4. The Travel Concession Authority will reimburse Participating Operators of Included Services for Passenger Journeys made as a result of the proper use of National Passes together with any Passenger Journeys made under any Discretionary and/or Companion Entitlement upon confirmation from those operators that the Passenger Journeys have been made and in accordance with the Arrangements for Reimbursement.

Issue of National Passes

5. The Travel Concession Authority will issue National Passes to Eligible Persons whose sole or principal residence is within their area. At their entire discretion the Travel Concession Authority may choose to provide Discretionary and/or Companion Entitlement in addition to the Statutory Minimum Travel Concession provided by the National Pass to Eligible Persons whose sole or principal residence is within their area. This will normally take the form of an endorsement to the National Pass.
6. It is the responsibility of Eligible Persons and Entitled Persons to apply for their National Pass and applicants are responsible for any costs incurred in making their application including the cost of providing any photograph that may be required to be shown on the pass for security purposes and in obtaining and/or presenting the necessary proof of their eligibility and/or entitlement.
7. An Issue Charge for a National Pass that includes Discretionary and/or Companion Entitlement may be made by the Travel Concession Authority to an Eligible Person resident in its area if that Travel Concession Authority has offered the Eligible Person the option of a National Pass which entitles the Eligible Person to the Statutory Minimum Travel Concession and for which no Issue Charge is made.
8. A Travel Concession Authority may also offer the option of other types of concessions (e.g. Travel Tokens, vouchers, Railcards, etc) to an Eligible Person if that Travel Concession Authority has offered the Eligible Person the option of a National Pass which entitles the Eligible Person to the Statutory Minimum Travel Concession for which no Issue Charge is made and where the Eligible Person has declined that offer.
9. Arrangements in respect of other types of concession are administered separately by the Travel Concession Authority but are considered to be part of the County Concessionary Scheme.
10. With the exception of travel concessions made available directly by Participating Operators on a commercial basis no person in receipt of a National Pass shall be entitled to receive any other travel concession during any Concession Period otherwise than at the entire discretion of the Travel Concession Authority in whose area they reside.

11. In cases where a National Pass is stolen, lost, badly damaged or destroyed, the Travel Concession Authority may at its individual discretion provide a replacement National Pass during the currency of one that has already been issued but reserve the right to make a charge to cover the cost of so doing.

Scope of Concessionary Travel

12. The Statutory Minimum Travel Concession is available to all holders of a National Pass in accordance with the provisions laid down in the 2007 Act which in summary enables Passenger Journeys to be made:
 - i) On Eligible Services;
 - ii) Between places in England;
 - iii) Between 0930 hours and 2300 hours on normal weekdays and at any time at weekends or on public holidays
13. The Scheme enables a Discretionary Entitlement to be provided in addition to the benefits of the Statutory Minimum Travel Concession for holders of National Passes issued by the Travel Concession Authority at the entire discretion of the Travel Concession Authority. Subject to the scope detailed at the end of this document, Norfolk County Council has decided to offer no discretions, other than:
 - a) On Eligible services where the only or main shopping journey of the day departs before 09.30 or where there are particular local circumstances that apply may at its entire discretion, require a participating operator to allow concessionary travel on the journey prior to 09.30 by Norfolk passholders only.
 - b) On any other Public Passenger Transport Service or a journey(s) on a particular Public Passenger Transport Service for which arrangements regarding participation have been agreed between the Travel Concession Authority and the operator of that service;
14. Details of any Discretionary and/or Companion Entitlement and/or Alternative Discretion provided by the Travel Concession Authority are set out in the latest version of the accompanying Schedule of Discretionary Entitlements which may be amended from time to time without being deemed to be an alteration to the Scheme.
15. Notwithstanding 13 above and subject to prior consultation with the Participating Operator(s) providing services that may be affected, the Travel Concession Authority reserves the right to exclude specified services (and/or specified journeys on specified services) from the Scheme where they have good reason to believe that overloading may occur before 0930 hours and/or after 2300 hours on Normal Weekdays. Participating Operators may also request the Travel Concession Authority to agree to exclusions on similar grounds, such agreement not unreasonably being withheld. Details of any and all exclusions and any changes thereto shall be published from time to time by the Travel Concession Authority.
16. Those eligible because of a disability that requires them to be accompanied by a dog (eg a guide dog or hearing dog) shall not be charged a fare in respect of that dog.

Miscellaneous

17. The Statutory Minimum Travel Concession will only be permitted upon the production of a valid National Pass in the form and subject to the terms and conditions specified from time to time by the Government.
18. Discretionary and/or Companion Entitlement will only be permitted upon the production of a valid National Pass so endorsed and in the form and subject to the terms and conditions specified from time to time by the Travel Concession Authority.
19. The 1985 Act encourages voluntary participation, backed where necessary by a process of compulsion and the Scheme continues to be founded on this principle. However, Participating operators running Eligible Services must observe the requirements of the 2000 Act and the 2007 Act to enable all holders of valid National Passes to travel free on all Eligible Services within England and be aware of the penalties arising from the 2000 Act in respect of a failure so to do.
20. Operators participating in the Scheme shall be reimbursed on the basis specified in the separately published Arrangements for Reimbursement, and shall recognise and accept valid National Passes in the form and subject to the terms and conditions specified by the Government and/or Travel Concession Authority and allow the rightful holders of such National Passes to travel free of charge only upon production of a valid National Pass when they commence their Passenger Journey.
