

Cloth Circular

3.25miles / 5.25km

This walk starts at Worstead Station. Head north along Station Road until you reach the Crossfield path Worstead FP1. Walk along it and around the village hall onto Ruin Road and then Church Plain, around the church.

Keep heading north along School Road and follow the road round to the right along Honing Road. Take a left onto Worstead FP6 and then Worstead FP3 and Worstead RB14. At Tucks Road, follow it round and then head through the underpass under the A149. Turn right and head up the slope onto Weavers' Way.

Follow Weavers' Way until you reach Windmill Road / Meeting House Hill Road where you turn right. At Station Road, take a left and then soon after, a right onto White Horse Lane. At Worstead RB12, take a left until you reach the A149. Cross the road and walk along Honing Road before taking the right fork onto Barnards Road. Follow the road left and walk along Worstead RB10 before turning right onto Worstead FP8. Carry on in the same direction along Honing Row until you reach Church Plain.

You should recognise where you are now, so walk along Church Plain, take a right along Ruin Road to the village hall, then along Worstead FP1 to Station Road. Turn right on Station Road and walk until you reach your start point, the train station.
