I have been phoned by Peter Rose of PPAP Investments Limited asking about the meaning of the Schedule 8 notice; so I assume that if the addresses above are correct, the above will have received the notice by now.

From the Land Registry INSPIRE map below it can be seen that there is no registered owner of any part of the application. Therefore yesterday Schedule 8 notices addressed "To whom it may

concern" were placed on the application route at the north end near Dyes Road and near the south end about 70 metres from Blofield Corner Road.

The photographs below show the position of the notices:

1. Close to Dyes Road
2. 70 metres north of Blofield Corner Road.
