- EA Flood Map for Surface Water 1 in 200 year (Deep)
- EA Flood Map for Surface Water 1 in 200 year (Shallow)
- Modelled results 1 in 200 year

Notes

1. This map only shows the predicted likelihood of surface water flooding (this includes flooding from sewers, drains, small watercourses and ditches that occurs in heavy rainfall) for defined areas, and due to the coarse nature of the source data used, are not detailed enough to account for precise addresses.
