Road Closure at Hardwick Road, Pulham Market

Hardwick Road, Pulham Market will be closed for repairs at Bridge TM28106, on Monday 29 April 2024 for one day.

The work will involve removing a tree which is causing structural damage to the bridge structure. For this work a full road closure is required to maintain a safe working area for our subcontractors.

A signed diversion route will be in place for the duration of the closure with pedestrian access being maintained at all times.

The County Council thanks people for their patience while this essential bridge maintenance work is carried out.

The work which will cost £1,000 will be carried out by Norfolk County Council's Community and Environmental Services Department and their contractors.
