Road Closure at Binham Road Culvert TG03102 – Binham Road, Field Dalling

Binham Road, Field Dalling will be closed for 1 day on 12 June 2024. This is to allow for essential bridge repairs to be safely carried out.

The repair work will involve replacing the left hand concrete post and lower rail, re-fitting return end bars to both ends and re-painting both up stream and down stream fences. For this work a full road closure is required to maintain a safe working area for our contractors.

A signed diversion route will be in place for the duration of the closure with pedestrian access being maintained at all times.

The County Council thanks people for their patience while this maintenance work is carried out.

The work which will cost £800, and will be carried out by Norfolk County Council's Community and Environmental Services Department and their contractors.
