Frettenham Road, Horstead with Stanninghall will be closed for 2 weeks from 22 April 2024 to 3 May 2024.

The work will involve brickwork repairs and siding out of the carriageway. For this work a full road closure is required to maintain a safe working area for our contractors.

A signed diversion route will be in place for the duration of the closure with pedestrian access being maintained at all times.

The County Council thanks people for their patience while this essential bridge maintenance work is carried out.

The work which will cost £3,500 will be carried out by Norfolk County Council's Community and Environmental Services Department and their contractors.
