

## Contractors List for Property Flood Resilience

Below is a list of trusted delivery partners who are well-versed in flood resilience construction and property assessment. Additionally, other contractors are available and can be employed. Installers must have completed the approved Chartered Institution of Water and Environmental Management (CIWEM) Property Flood Resilience Industry Training.

The framework the council uses has been developed to deliver industry best practice including product standards, professional competency and the industry benchmark set out in the code of practice for property flood resilience. This ensures that those using the framework remain industry leaders and that our constituents receive the service they deserve.

Our list of delivery partners is split into their respective Lots and the Hub that they operate in. Named individuals and their contact information have also been provided.

### Delivery Partners: Survey Options and Quality Assurance

#### Northeast England

##### **Delivery Partner: FPS**

Name: Simon Crowther and Victoria Venn

Email: Simon Crowther: [simon@fpsenvironmental.co.uk](mailto:simon@fpsenvironmental.co.uk)  
Victoria Venn: [victoria@fpsenvironmental.co.uk](mailto:victoria@fpsenvironmental.co.uk)

Contact Number: 07792750791
