Road Closure at Brick Kiln Road Culvert - TM39405, Brick Kiln Road, Ellingham

Brick Kiln Road, Ellingham will be closed for 4 days from Tuesday 28 May to Friday 31 May 2024 inclusive. This is to allow for essential bridge repairs to be safely carried out.

The repair work will involve repairing the parapet fencing and scour repair. For this work a full road closure is required to maintain a safe working area for our contractors.

A signed diversion route will be in place for the duration of the closure with pedestrian access being maintained at all times.

The County Council thanks people for their patience while this essential maintenance work is carried out.

The work which will cost £2,000 will be carried out by Norfolk County Council's Community and Environmental Services Department and their contractors.
